

BULLDOG CLUB OF AMERICA

Position Statement

PROTECTION FOR PUPPY PURCHASERS

The Bulldog Club of America supports reasonable laws and regulations intended to protect the pet-buying public in obtaining a sound dog of the breed represented. Breeders and/or sellers should be responsible for providing certain refunds, replacements, or reimbursements should the dog sold become ill or die from a condition contracted prior to the purchase. Such remedies should be conditioned upon the buyer's adhering to the care and feeding program prescribed by the breeder and/or seller, as well as a timely examination by a state licensed veterinarian and following any veterinary health requirements.

Breeders and/or sellers should provide buyers with a written bill of sale detailing the responsibilities of both the buyer and seller. This bill of sale should also detail any exclusions to refunds, replacements, or reimbursements, as provided by local law.
