Position Statement

RESPONSIBLE DOG OWNERSHIP

The Bulldog Club of America believes that owning a dog is a rewarding experience that brings great joy and happiness to any household. With dog ownership comes long-term emotional and financial commitment and a variety of responsibilities. Accordingly, we encourage potential owners to closely evaluate their lifestyle before deciding to obtain a dog and to consider carefully what breed will best suit them. They are encouraged to visit the BCA website (<http://thebca.org>) and AKC® website (<http://www.akc.org>) to do their research.

The BCA strongly urges puppy purchasers to seek responsible, ethical breeders as resources for their dogs. We further encourage owners to provide proper care, training and socialization to ensure that their pets remain happy members of their family, respectable members of the community and well-mannered canine good citizens. The BCA, the AKC and their affiliated organizations offer a wide range of educational programs and materials to teach dog owners how to reach these goals while enjoying their dogs for many years to come.
