

AKC Gazette**April 1942****Mrs. E. J. BROOKS**

We greet the newly streamlined, popular-priced issue of the GAZETTE with congratulations and best wishes. I'm sure it will be appreciated by all the fanciers.

We, too, have an innovation. With the canceling of Morris and Essex, we are pleased to announce that we shall hold our 1942 Specialty-including the judging of our Futurity Stakes-in conjunction with the North Westchester show, June 13, at Katonah, N.Y. The proceeds of this show will be donated to the American Red Cross, and we urge all our members and friends of the breed to give their fullest support, as they have done in the past.

Instead of the usual soliciting of monies for our trophy list, we have formulated a plan, by which, together with donating to a worthy war relief charity, and providing entertainment for some of our men in uniform, we can earn the necessary amount for our attractive premium list. We have arranged a dinner with some of the American and British sailors in port as our guests for the evening. This dinner will be held in New York City, Thursday evening, April 16, donations 75¢. These tickets may be obtained through the Secretary. As an added attraction, members of the Club will arrange a puppy exhibition, and we are anticipating a truly genial get-together of the Bulldog clan.

Two other important events featured the spring bulldog calendar. One was the Pacific Coast Bulldog Club Specialty held recently with the Santa Anita, California, all breed show, March 21 and 22. The other is the forthcoming Bulldog Club of New Jersey Specialty, to be held May 9 in conjunction with the Orange K.C. show, South Orange, N.J., on May 9.
