From the President

Jeff Ryman

Well, another show season is coming to an end and the Knoxville, TN BCA National week is here! Show chairs Ashley Miller and Christine Dudney, and their dedicated Division VIII Show Committee and Division members are putting the final touches on what will be an exciting BCA National week.

I would like to welcome Yvonne Cockrill, a member of Division III, onto *The Bulldogger* staff. She has stepped up and volunteered to be more involved in our beloved publication and will be shadowing Angela over the next year as the Assistant Editor.

BOAS: We have all heard the acronym and I have recently been informed that OFA will begin utilizing the Respiratory Function Grading Scheme (RFGS) which the University of Cambridge in the UK developed as a test to measure the severity of BOAS (Brachycephalic Obstructive Airway Syndrome). This will first be held for Bulldogs, French Bulldogs, and Pugs at the Rose City Classic in Portland Oregon, January 2023 and we understand it will be scheduled at other major AKC show venues during 2023. As soon as we know where, we will let the membership know.

A ZOOM seminar was presented to BCA members in October to discuss the test itself and to encourage BCA participation. We discussed details of what to expect and how one can best prepare their Bulldog for a successful test. If you were not able to participate, the recorded version is available on the BCA membership web site.

I do want to encourage BCA participation in this health initiative. It is imperative that we bring our healthy Bulldogs to these initial OFA testing sites, to show the purebred dog community we are not afraid of it. We are very proud of our BCA Health Program and all the strides that have taken place in the health of the Bulldog in the past few decades. This is just one more step which we, as BCA members, can be on the forefront.

As for more ZOOM seminars, if you have any good ideas or you would like to present a future ZOOM seminar to the BCA membership, I would like to hear from you. With the online format so prevalent now, we can host a variety of informational seminars quarterly if there is interest!

So go pack your bags, load your dogs into your cars and RVs and let's get on the road to Knoxville, Tennessee Bulldog National 2022.

I look forward to seeing all of you there!

Legislative Committee Report

Ward McAfee, Chairman

AKC Government Relations Looks Back at First Six Months of 2022

With elections looming and many states holding shorter sessions, the first half of 2022 was an intense, hurried pace for AKC Government Relations and our clubs and federations.

In the first six months of 2022 AKC GR tracked more than 2,000 dog-related bills on the federal, state, and local levels, many of which were carried over from 2021 sessions. After an emphasis on COVID-related issues for the last two years, the canine legislative landscape in 2022 is returning to a variety of animal welfare issues.

Legislative Trends and Issues

The following are some of the prominent legislative issues AKC GR has been addressing so far in 2022. To view all the bills we are currently tracking, we encourage you to visit our Legislative Action Center at *www.akcgr.org* and click on the "Legislative Tracking" tab.

Dog Care Standards – As with 2021, AKC GR continues to closely monitor the federal "Puppy Protection Act", which seeks to create numerous new requirements regarding how breeders care for their animals. Many states have also sought to impose new regulations or standards of care for dogs this year. Examples include Maryland HB 16/SB 44, which sought to regulate the temperatures in which dogs should be outdoors; and New Jersey (A. 2401/S.3607), a proposal that that would have regulated the keeping of large dogs. Many states and local jurisdictions also experienced attempts to regulate tethering.

California went so far as to introduce a "Dog and Cat Bill of Rights" (AB 1881) that stated that animals have the right to certain standards of care.

AKC GR continues to see many "one size fits all" dog laws that do not take into account the needs of individual breeds or individual dogs. Happily, there have been many instances already this year where we, along with state federations and local clubs, have been able to successfully amend

or stop onerous bills that would have imposed arbitrary requirements not appropriate for all dogs. For example, the New Jersey bill impacting owners of large dogs was defeated, and approximately ten bills in New York that sought to impose inappropriate standards for dogs outdoors were held in committee. In Tennessee, six bills that would have imposed onerous new requirements on breeders, and created arbitrary and vague tethering laws did not advance.

In each case, the Government Relations team focuses on educating, providing data and positive alternatives for legislative proposals that have potentially negative consequences for dogs and their owners. We also continue to develop new resources for you to share with lawmakers and community leaders. All of these resources are available in the AKC Legislative Action Center. Click on the "Key Issues" tab to find resources, organized by issue, to help you communicate with lawmakers. This year, AKC GR has added a key issue regarding tethering and dogs outdoors, as we continue to see a significant number of proposals on the state and local levels seeking to address that issue.

Importation – AKC GR is seeing increasing interest among lawmakers to regulate the importation of dogs in order to address public health concerns. AKC GR is pleased to support the federal Healthy Dog Importation Act which will help ensure dogs coming into the United States meet certain health standards.

In June, the U.S. Centers for Disease Control and Prevention (CDC) updated rules addressing dogs coming into the United States from certain countries. AKC GR has provided a new graphic to help dog owners understand the new regulations and what is required to import a dog into the country.

Many states have also sought to address concerns about canine importation and transportation. In addition to providing new requirements and standards for the state's animal shelters, S. 6840/A.6246 pending on the governor's desk in New York, also establish a quarantine system for dogs coming in from out of the state. AKC GR is supporting this bill, which provides reasonable public health protections while still allowing responsible owners, rescues, and exhibitors to bring dogs into the state.

The Governor of Rhode Island approved SB 2751/HB 7785 in May 2022 that establishes quarantine zones for animals coming into the state that are suspected of carrying zoonotic diseases.

For more talking points on this issue, and the latest information on

federal guidelines, visit the Importation key issue page in the Legislative Action Center.

Limits on Pet Choice – AKC continues to see a nationwide effort to prohibit pet stores from selling purpose bred dogs, instead requiring them to source dogs from shelter or rescue organizations. In May, New York passed S. 1130, becoming the fifth state to pass a bill imposing these restrictions (California, Maryland, Maine, and Illinois previously passed statewide bans. A sixth state, Washington, passed a law in 2021 allowing current pet stores to operate, but banned new stores from forming). That bill has not yet been transmitted to the governor.

Similar state-level bills were also introduced in Florida and Massachusetts, but proponents are strongly targeting many local jurisdictions, including multiple cities and counties in Texas, Indiana, and Washington. They claim these measures are a guaranteed way to shut down bad breeders, but the fact is it simply drives people to the Internet where scams are rampant. In addition, the bills limit the opportunity for local residents to find the right dog for their family, and remove consumer protections for those buying dogs at pet shops.

In addition, there can be concerns with the definition of "pet store". In Renton, Washington, for example, portions of the proposal expanded to anyone who sold dogs, not just brick and mortar pet stores.

We expect to see more similar proposals in cities across the county in the second half of this year. For talking points and more information on this issue, visit the "Pet Choice" key issue page in the Legislative Action Center.

Regulations on Kennel Licensing/Kennel Definitions — Many states and municipalities have introduced proposals to amend the definition of "kennel" and change their licensing procedures. Bills pending in Pennsylvania, for example, increase license fees (HB 526 / SB 232) and amend requirements for licensing and regulation of kennels – including rescues (SB 1289). In addition, SB 907 creates a task force to review all dog laws in the Commonwealth.

Senate Bill 585 in Massachusetts would have significantly expanded the definition of kennel to encompass any residential property where more than one dog is bred. This measure was defeated.

Kansas SB 551 sought to create a new Pet Animals Facilities Inspection Division, which would oversee hobby and commercial breeders, shelters, and many other facilities. This proposal was tabled.

Fauquier County, Virginia, is one of several county/local jurisdictions

this year that have sought to reexamine and amend their kennel licensing and zoning laws. In the case of Fauquier County, AKC GR and local clubs successfully worked with the county to develop a reasonable solution.

We expect more local governments to consider kennel and licensing laws this summer and fall, and encourage local clubs and Legislative Liaisons to closely monitor their community news and government websites for hearings and proposals that would impact local breeders and kennels.

Legislative Successes

Above were listed just a few of the dozens of successes achieved in the first six months of 2022. Others include the defeat or amendment of bills that would establish animal advocates ("lawyers for dogs") programs and allow for non-economic damages to compensate for emotional trauma in the loss or injury of a pet.

There were also a number of successes to protect those in the sporting dog and performance community, including a tremendous victory in New Hampshire where a bill was defeated that would have ended field trials in the state.

We encourage you to read our blog highlighting our 2022 successes to date, and check out our full list of 2022 Legislative Successes to see the many ways AKC GR worked with federations and dog clubs to make a positive impact for dogs across the country.

Looking Ahead

AKC thanks the many club members, breeders, and federations who have worked with us in the first six months of 2022 to make such a significant, positive impact for dogs and our sport – but there are many fights still ahead! Six states are still in session, and counties and cities all across the United States are still meeting. Each week we continue to learn about new proposals regarding dog ownership and breeding.

We encourage you to sign up for our monthly Taking Command newsletter for the latest information and resources available to help you advocate, and to check our Legislative Action Center at *www.akcgr.org* for the most up to date Legislative Alerts and information on proposals around the country.

Please also contact AKC GR at *doglaw@akc.org* when you hear of an issue so we can partner with you to continue to fight on behalf of our dogs as the year continues to progress.

For more information or to see what is happening in your area please go to *AKC.org* and check out the Legislation Action Center.

AKC Delegate Report

Link Newcomb

I wanted to share some information from the American Kennel Club that might be of interest to BCA members. DID YOU KNOW?

In 2010 AKC launched the Grand Championship title program which added new conformation titles that a dog could achieve beyond a champion title. This program has resulted in an increase in entries in Best of Breed competition, and as you would expect, Bulldogs have earned these new titles in large numbers. Through June 2022, a total of 982 Bulldogs had earned some level of Grand Champion title. By the time this report is published, a worthy Bulldog will have received the 1,000th Grand Champion title awarded by AKC to a Bulldog. Over this time, only 10 of these dogs had earned the Platinum Grand Champion title, the highest tier recognized by AKC.

Unfortunately, while the Grand Championship program increased dog show entries, it did not ultimately increase the number of individual dogs shown in conformation events per year. Among all dog breeds, the number of dogs shown in conformation events per calendar year declined 20% from 2010 to 2019 (the last pre-pandemic year). Individual Bulldogs shown in conformation fared even worse, declining by a whopping 44% from 2010 (2,669 dogs) to 2019 (1,498 dogs). In all but one of those years, the decline was by more than 100 dogs.

Because of event cancellations related to the pandemic, AKC's statistics from 2020 and 2021 are difficult to put into context. The number of individual Bulldogs shown in 2020 and 2021 fell off significantly from 2019 but how much of the decline can be attributed to the pandemic?

I'm pleased to report that there may finally be a glimmer of hope in the most recently reported numbers from AKC. Through the first six months of 2022, a total of 928 individual Bulldogs were shown in conformation

events. That is an increase of 12.5% from the 825 Bulldogs that were shown in conformation during the first seven months of 2021. To be fair, the 2021 number may still reflect lingering effects of the pandemic but the increase is fairly substantial nonetheless.

The number of Bulldog litters being born every year is going in the opposite direction from the number being shown in conformation. In 2019, there were 11,779 Bulldog litters registered with AKC, about 9% more than there were in 2010. Then arrived the Covid bubble in Bulldog litters, with a total of 13,392 litters registered in 2020 and 15,112 litters registered in 2021. If the same number of Bulldog litters are registered in the second half of 2022 as were registered in the first half of the year, the 2022 litter number would be 16,792! Given the continued decline in BCA membership, it goes without saying that this huge jump in litters is not being driven by our members.

For the sake of the breed, let's hope that this big increase in the number of new puppies results in a turnaround in the number of dogs being shown. Unfortunately, that is no sure thing. In 2010, one Bulldog was shown for about every eight Bulldogs that were registered that year. In 2021, one Bulldog was shown for about every 27 registered. In the first half of 2022, one Bulldog for every 15 dogs registered is being shown. Perhaps that represents some improvement. No one really knows how many of the Bulldogs registered with AKC these days would have a disqualifying color and wouldn't even be eligible to be shown in conformation, but it's genuinely believed that the number is substantial.

AKC understands that the goal isn't just more litters. For the sustainability of our sport, we need more of those litters to come from the dog show fancy. Specifically in the case of Bulldogs, from our membership. Then we members are tasked with finding buyers for those puppies who will participate at some level in AKC events. For their part, AKC has developed new educational programs for prospective breeders, initiated new awards for breeders, divided the bred-by class to benefit breeders and so on. Let's hope these initiatives achieve the desired result. We need to jumpstart interest in our sport and as I've said before, that starts by placing puppies in new show homes. AKC also recently announced the launch of the AKC "Eddy" Award which will reward those breed parent clubs that provide extensive breeder education to anyone interested in breeding that

breed. In my view, BCA should elevate its own breeder education programs not for the sake of this award, but because it is in the breed's and BCA's best interest regardless.

I'll close with another recent announcement from AKC. In commemoration of AKC's 138th anniversary, AKC has now made available online its extensive digital library which contains volumes of history right at your disposal. The digital library can be found at library.akc.org and is organized under these headings: AKC Gazette, Show Catalogs and Archives. You can find mostly marked show catalogs for the BCA National Show going back to the Second Annual Show held in March 1899 in New York City. Using information in the archives files, I put together the following chart that shows the "fall and rise" in the popularity of Bulldogs, based on AKC registrations.

For those of you keeping score, Bulldogs ranked in the top ten among breeds registered with AKC for most years up to 1935; never in the top ten from 1936 through 2007; and have been in the top ten since 2008, rising to number four at our peak. To give you a bit more perspective, keep in mind that in 2021 over 30,000 Bulldogs were registered with AKC in one year for the first time. That's almost three times the number registered as recently as 1990! Over that same period, the U.S. population increased by about one-third, which demonstrates the increasing popularity of our beloved breed. Hope to see you in Knoxville!

Definition of loquacious -
1.: full of excessive talk: WORDY

Let me tell you, Lucy lived up to her name. From the whelping box, she was a natural communicator. She came from a litter of four and the whole house knew the minute she woke up. She turned out to be the only keeper. And what a keeper she was!

Lucy was a true show dog in many ways. She was a wonderful travel companion. She loved and talked to everyone. Anyone who ever roomed or crated near us will definitely remember Lucy.

In the ring, she was confident. It was the place she loved to be. She constantly had her eye on the judge, and always knew where they were. I had more than one judge tell me that she asked for the win.

That confidence served her well. In addition to her many BISS wins, she made a name for herself at the 2010 BCA National in Ft. Mitchell, Kentucky. Lucy's portrait is forever displayed in the BCA National Gallery as Best of Opposite Sex under judge Elizabeth Hugo Milam. At the follow up shows that week, she went on to win Best of Breed at the Buckeye Bulldog Club specialty show under Mary Lou Lofdahl. The next day she won Best of Breed at the BCA Division II specialty show under Nancy Paul.

Lucy ended the year as the #1 Breeder-owner-handled Bulldog (2010) and the #1 Bulldog Bitch (2010).

The following August we traveled to Chicago for a full weekend of shows. Lucy won Best of Breed at both Chicago Bulldog Club specialty shows. Then on Sunday evening, she was awarded Best In Show at the Elgin Kennel Club show. A memory I will cherish forever.

When I think back on Lucy, I have to smile. She was a Chief granddaughter and an all around good dog. - Liz Karshner

The Bulldogger Obituary Guidelines

The BCA National Council has directed that *The Bulldogger* regularly feature obituaries or death notices of Bulldog Club of America members or previous members at no cost. BCA members or friends and family of a deceased member can submit obituaries or death notices of deceased BCA members or former BCA members by notifying the appropriate BCA Division secretary for verification of membership or former membership, when possible. Division secretaries will then send notification of the death to our staff member Robin Stowell, at bulldawglady@hotmail.com.

Robin will review the information submitted and compose an obituary or death notice and forward it for final approval to Editor, Angela Ross for publication in The Bulldogger. The following guidelines will be strictly adhered to:

Obituaries should not exceed a maximum of one-half page in length or approximately 150-175 words or less. High resolution photos considered by our editor to be suitable for reproduction may be accepted, provided that adequate space on the Obituary Page is available. Up to 300 words can be used with no photo submission.

Contents of the obituary or notice should be concise and confined to the deceased's primary involvement with Bulldogs, including service as officers in the BCA or any of its local member clubs. Other information pertaining to the deceased's age, residence, established kennel name, BCA awards and member club memberships can be included. Personal information such as occupation and immediate family members are appropriate but should be limited. Long lists of champions owned by the deceased should be avoided.

All obituaries and notices will be edited on a space-available basis and corrected for spelling, grammar, punctuation and capitalization by the Copy Editor. Obituaries and notices should be less than six months old at the time of publication. The editor may modify the length and content of all obituaries and notices to fit allocated space.

"Bulldogs in Art"

Since ancient times, artists have shown their admiration of dogs by reproducing their likeness in art. First appearances of dog-like images are found thousands of years ago, carved into cliffs and painted on cave walls. Depictions of dogs on pottery and in mosaics date back at least to the fourth century BC.

In most early art painting, the dog appears as part of a scene or incidental in a background motif. As portrait painting became popular, dogs are often seen along with their master as part of a portrait. During the late eighteenth and into the nineteenth century the dog comes into its own as the primary subject of an art painting.

Since the beginning of the Bulldog breed some 500 years ago, art works are prolific. Through the study of art painting, we can trace the Bulldog's development and evolving purpose. In the eighteenth century when Bulldogs became companion animals, their likeness is often seen in portrait paintings with their master. Notably, it was not until the Victorian era that the Bulldog begins to take center stage

in artwork.

The nineteenth century ushered in vast changes and advances for dogs within society. There became a keen interest in the science of animal husbandry and the development of many new dog breeds. Showing purebred dogs in competition became fashionable along with the formation of dog clubs and societies. The founding of The Kennel Club in England occurred in 1873 and the American Kennel Club in 1884. Breed clubs developed and clearly defined written Standards for each specific breed. Portrait paintings evolved and began to depict breed Standards more specifically, in a new genre of dog portrait painting.

The Victorian era encompassed this new style of dog portrait painting. This painting style clearly shows the specific characteristics and attributes of each dog breed. The artist's main goal is to interpret how the dog conforms to its written Standard. Many of the painting conventions from the nineteenth century are still in use today. Bulldogs are found, best shown, posed in profile with the head slightly turned toward the viewer. The important aspects of the breed's written Standard is visible. A depiction of the dog's general properties is shown along with specific details such as ear set, shape of eyes, layback, and topline.

The popularity of purebred dog portraiture continues today. Many involved in the dog fancy, commission art portraits of their favorite show dog. The Bulldog Club of America is fortunate to have a col-

lection of over 100 Bulldog portrait paintings as part of its holdings. Once a year, during the club's National specialty show week, these paintings are on view within a gallery setting. This collection represents National specialty breed winners and many Best of Opposite Sex to the breed winners from 1954 forward. Visitors can evaluate each portrait, both as a work of art and as a study of the purebred Bulldog's written standard.

Much can be learned through the study of dog art throughout the ages. As one of the earliest breeds, Bulldogs have a very long and colorful history! Today we can visually trace the Bulldog's development through the creative expression of many artists' works.

AKC tips and more

Sometimes you will have a dog that does certain exercises just fine in practice then blows it during a trial. AKC has a new option for handlers when they find themselves in this situation.

Fix n' Go means you can retry an exercise and use verbal praise or help for your dog. You are then excused.

Fix n' Go
Effective April 1, 2022

When a handler is using excessive verbal commands, this could indicate the dog is not under control and is not working with the handler willingly. The judge must determine if this dog should be released for a lack of control.

The handler is not allowed to correct or discipline a dog and will be released from the ring.

When the dog's performance does not meet the handler's expectation, the handler may choose to use a "Fix n' Go" option once, which allows the exhibitor to immediately reattempt a single individual exercise. This allows the team to reattempt that one exercise, and then leave the ring. In a two-part exercise, the handler may choose only one part to reattempt. It is the handler's responsibility to tell the judge they are choosing to "Fix n' Go." Using the Fix n' Go option will result in a non-qualifying score (NQ). The handler may begin the reattempt from the start or at any point during the exercise.

The handler may choose to help the dog through the Fix n' Go exercise. Helping the dog may be accomplished using verbal encouragement, including additional commands and praise, and/or approaching the dog in a friendly/positive manner without touching the dog.

Harsh verbal and /or physical corrections will not be tolerated. If there is any determination of harshness by the judge, the handler will be immediately released from the ring.

Spectators form their opinion of the sport through seeing the action of the handler and the dog. Care must be taken to avoid any action that might reflect poorly on the sport.

There is a new obedience rule book available. It has a green cover and is dated April 1, 2022. A new feature has excerpts from the Judge's Guidelines in italics among exercise descriptions. The book is very instructive and will help you understand what the judges expect. You can access it online at *www.akc.org*. If you prefer a hard copy order by phone at 919-233-9767 or email at: *orderdesk@akc.org*.

The first trainer I worked with told us "always take a copy of the rulebook to trials!" If you are walking a Rally course, your book will answer questions if you're not sure how to execute the exercise.

Off-lead Heeling

Many Bulldogs seem to feel that if they are in the neighborhood when heeling, that is adequate. Unfortunately judges seldom agree.

A good trick I learned from Bernie Brown, a well-known trainer from years ago, was to practice off-lead in a safe place. Hold a desirable treat in your left hand with your arm straight down along your leg. As you heel give it to the dog when he is in heel position. Working in a large left circle helps in the beginning. Then you start to give treats randomly every few steps, changing the number of steps each time. For example, three steps, treat, five steps, treat, two steps, treat. As your dog becomes more proficient, lengthen the number of steps between treats. Beware! Only give a treat when your dog is

in proper position. Don't move your hand forward or backward to meet the dog. The dog's job is to come to your hand! Do not wait until your dog stops and sits. If you do, you are rewarding the sit and not correct heel position. Don't worry about the sit portion, you are just trying to improve the heeling.

When you begin this training, it may be helpful to write down a sequence of steps to reward. This helps you get used to the exercise and keeps you from being too predictable.

The balance sheet as of August 4, 2022, shows the final membership totals for 2022, which didn't drop as much as years past but is down to 1294. A loss of 63 individual USA members. A motion was made and seconded to approve the financial report as presented; Motion was passed.

Reports of the Committees:
Committee Reports: Committee members were invited to call into the meeting. Yvonne Miller was present and provided an update on the status of the archival documents and progress of filtering the items that should be saved, what can be destroyed and items that are not recoverable. When she is at a point that digitizing items is needed then she will reach out for volunteers to assist.
2023 Nationals: 2023 Show Chairman, Joan Johnson, provided a brief overview on the status of Nationals. All planning is progressing as necessary, and the committee will be

2022 Nationals: There was no report from the 2022 National Show Committee. BCA President to reach out to the Show Chair for status updates.

Old Business:
Online BCA renewals using Paypal & DocuSign. Jeff will submit a tentative sketch of drop downs on the BCA website, containing states for new members and divisions for current members, to Sherry Webb. When completed Brenda will contact Liz Coates to use Division 5 as the template for this new idea. Division 3 also has committed to test this out prior to Nationals. We will work out the bugs this way before going bringing this to the Council at 2022 Nationals.

New Business:
Bulldog Health: The Club should consider participating in alliances with other organizations that have a mutual interest in promoting brachycephalic breeds and if beneficial, join forces to protect ourselves as a larger group. To explore this idea, the BCA President has named an ad hoc committee for "External Legislative & International Health Advocacy" chaired by Cindy Stansell. The purpose of this is to pursue the following:

- Joint Brachy breed organization to help fight onslaught of legislative and health related concerns being pushed from the outside, including from other countries, onto our breed here. This is to include working with other countries' kennel clubs in their endeavors and challenges, sharing BCA & AKC educational programs as well as joint efforts to create new programs. Thus far working with CKC and UK Bulldog Club on joint activities to promote health. FCI Mexico City Networking.
- BCA Communication and Media Committee is working on finalizing key "Talking Points," and then plans to hold media training for BCA members around the nation. Once completed, volunteers will be gathered and Anna Sullivan has offered to provide media training via Zoom.

Also, within our organization, BCA health webinars being initiated starting with subjects suggested by Elizabeth Milam. Potentially expand to present every two months for members and potential members.
National Show Rules and Procedures: New National Show Rules and Procedures Draft (presented by Jeanette Nieder.) This draft document will be delivered to the current National Show R&P committee for review and discussion with the goal of a final draft document ready to deliver to the full Council 4 weeks prior to 2022 Nationals for review and ultimate consideration at the National Council meeting.
Bulldogger Editor Discussion. This continues to be a goal in the next year to find a new editor. This was once again mentioned in the President Letter in the current Bulldogger.

Next meeting: A 4th QTR Executive meeting will be held via conference call on October 1,2022, in preparation for the National Council meeting and any outstanding issues at that time.

Adjourn: Motion to adjourn was seconded and passed.

Members of **Division I** participated in All about Dogs Day, which was held on June 25 at the Sinking Spring Fire Company in Sinking Spring, PA. This all-day event was free to the public and gave local dog lovers the opportunity to come out and meet local breeders. For us, it provided the opportunity to educate the public on our beloved breed.

The Board, Governors, Councilors, and National Committee have been working extremely hard this year as we prepare to host National Week in 2024. Please consider volunteering for a committee. We need your help! Please reach out to any of us to discuss the many opportunities available.

Congratulations to the Bulldog Club of New Jersey, Bulldog Club of Philadelphia, and Bulldog Club of New England on celebrating their 100th Anniversary. Thank you to all past and current members. This is an amazing accomplishment!

The **Bulldog Club of New Jersey**, the **Bulldog Club of Connecticut**, and the **Lower Susquehanna Bulldog Club** of Pennsylvania have planned their next shows. Mark your calendars! The Bull-Ossum cluster will be held April 7–9, 2023. We are proud to say we are the longest running specialty show cluster on the east coast at over 25 years! If you haven't been to our show, come join us for a great weekend; five shows, three days, one great location with judges from the UK, Mexico, and US!

The Bulldog Club of New Jersey once again joined the Sparta, New Jersey Special Olympics team at their bi-annual vendor and craft fair event on November 5. For the sixth time in four years, the club hosted a kissing booth to raise funds for the athletes. Not only is this a great event supporting Special Olympics, but it also allows our club members to educate the public about our breed.

The **Bulldog Club of Philadelphia** meetings started back up in September after the summer break. We meet via Zoom on the third Tuesday of each month. If you would like to be included in the Zoom meeting, let us know. It is our goal to build the club, which is the oldest Bulldog Club in the US, back to its former size. We are excited to be part of the upcoming Winter Blast cluster of dog shows being held at the Oaks facility in December. We are also looking forward to the spring specialty in March with the March Madness cluster in Edison, New Jersey. If you would like to donate to the trophy fund, let us know! If you are traveling to the BCA National show in Knoxville, safe travels and best of luck!

The **Bulldog Club of New England** marked our 100th Anniversary in September and we celebrated by hosting a blockbuster

show weekend. We look forward to updating you all in the next edition about this fantastic weekend.

The **Buckeye Bulldog Club** will be holding its 2023 specialty shows on Friday, April 21 and Saturday, April 22, 2023. It will again be held at the Dayton Dog Training Club. Our judging panel will be announced soon.

The **Chicago Bulldog Club** hosted two concurrent specialties on Memorial Day weekend in conjunction with the Corn Belt Kennel Club and Illinois Valley Kennel Club cluster in Bloomington, IL. We were pleased with our entry of 57 Bulldogs, with four point majors in both dogs and bitches! The venue at the Interstate Center was great with A/C, reserved crating, parking for our club, and a food truck. Rachel Garde's RV was parked right next to the show site, so she and club members hosted a Saturday potluck and breakfast hospitality each day. Our thanks to Mary and Michael Brunk for coming to judge our shows even though it was their 58th wedding anniversary! Be sure to mark your calendars for the 2023 Memorial Day weekend cluster and specialty in Bloomington, IL.

The club also received applications for four new members who were voted in at a special July meeting.

Our designated specialties on October 7-9, 2022 were again at the Granny Rose K-9 Enrichment Center in Dixon, IL and again partnered with the Milwaukee Bulldog Club. The hospitality hosted by both the Chicago and Milwaukee Bulldog Clubs was fantastic. On Friday evening, the Chicago club honored our AKC Sportsman of the Year Awardee, Ken Roux, for his help in getting us the Granny Rose Center and in obtaining the release of Bulldogs from the all-breed clubs that were holding shows in conflict with our dates. Chicago's show was a groovy 70's hippie theme with tie-dyes, flower children, and bell bottoms. Holly Whalen created a special dessert to honor Ken.

The Saturday Chicago show was held in memory of longtime Chicago members Harold and Rosemary Kyler.

Prizes were donated from the collections of Chris Selle, Gerald Klopp, Janis Mullin, and Marion Kyler's parents. There was a 50/50 raffle and silent auction with many wonderful things to bid on. We are looking forward to even greater events for 2023. We look forward to seeing you all there! ~ Janet Klopp

The **Detroit Bulldog Club** is planning its annual meeting. It's always great fun celebrating the new champions and other titles the beautiful Bulldogs in the club have obtained throughout the year.

Be sure to start out the new year right by entering our specialty shows, which will be held March 4th and 5th, four shows in two days! We wish everyone a fun and safe holiday season and hope to see you at our show! ~ Christina Muller

The **Illiana Bulldog Club** is working on plans for its 2023 specialty weekend. Shows will be Friday May 12 through Sunday May 14 – five shows in three days! Our judging panel will be announced shortly. Since making the move to May, our shows have been very successful and we are very grateful to all the exhibitors who come to our show! We hope everyone will be back again in May!

In October, we had a meeting/work

session to clean out and organize the club trailer, which was desperately needed! We are also planning our annual Christmas party, which hopefully won't get cancelled due to bad weather! ~ Becky Krumwied

The **Bulldog Club of Indiana** had decided to offer four shows at our upcoming specialty show in March. Members are currently planning this event. We are also planning an upcoming holiday party. ~ Jennifer Sanders

The **Milwaukee Bulldog Club** is sorting through the final arrangements for their combined specialty shows with the Chicago Bulldog Club on October 7-9 in Dixon, IL.

New officers were elected earlier this year and are as follows: Martha Coaty, President; Marty Hernandez, Vice-President; Lisa Mueller, Secretary; Chris Selle, Treasurer, and several board members. ~ Lisa Mueller

The **Western Michigan Bulldog Club** has had a wonderful summer enjoying the cooler summer temperatures here in Michigan, which allowed all of us to really enjoy being outside all summer.

Members have been finalizing plans for the Western Michigan Bulldog Club 25th Anniversary April 7-9, 2023 specialty shows. Plans are being made to make it extra special, even more than normal!

In the meantime, picnics and Christmas plans are being made for the club members to enjoy.

We've had some new growth in membership and of course we would love to see our membership grow even more! So come and join us! ~ Jeane TerHaar

BCA Division III had so many great events planned throughout this year and into 2023. We are grateful to all our Division III clubs who hosted such great events and take the time to ensure a fun event for all to enjoy with great venues, judges, and hospitality. We're excited to host our generics in conjunction with our clubs' events and we're focused on two events this winter with PCBC and LVBC and our concurrent specialty held with Sand to Sea Non-Sporting Assn, January 2023.

The **Phoenix Bulldog Club** is looking forward to our specialties Friday, January 27, 2023 after our long hot summer. It is at Mark Coronado Park, 15850 N. Bullard Avenue in Surprise, Arizona. Weather in Phoenix should be wonderful with crisp mornings and mild, sunny afternoons. Backing up the specialty day is two days of all-breed shows, setting up the opportunity for four majors on the weekend. Come join us for the wonderful weather and friendly competition!

The **Pacific Coast Bulldog Club** (PCBC) celebrated another great event; this year's PCBC specialty was September 23, 24, 25, 2022 at Los Alamitos Racecourse at 4961 Katella Avenue, in Cypress, California. We were so excited to host our specialty at this great location. We always have great judges, participants, and enjoy our night at the racetrack cheering on the horses.

The **Mother Lode Bulldog Club** was busy working on our annual specialty show on Saturday, November 5, 2022 which was

held at the All Dog Sports Park, Sycamore Lane Kennels in Lodi, CA. We had a double specialty show, puppy sweepstakes, and Junior Showmanship. We are once again teaming up with our sister club, Bulldog Club of Northern California, for four shows in two days. Plenty of major opportunities on this fun show weekend!

The **Bulldog Club of Northern California** (BCNC) celebrated their 75th diamond anniversary specialty shows, which was Sunday, November 6 at the Sycamore Lane Kennels in Lodi. There were two BCNC specialties. In celebration of 75 years of specialty shows from 1947 to 2022, the club offered many wonderful diamond jubilee trophies. Edie Gaertner chaired the event; Bonnie Roberts was co-chair.

BCNC's winter match and holiday party will be on Sunday, December 4 at the home of Chris and Diane Gordon in Los Gatos. Betty Fisher will be the evaluator for CGC and trick dog testing.

The **Bulldog Club of San Diego County** (formerly: Bulldog Club of Greater San Diego) is sending a big hello from San Diego! We are changing our name. There was some confusion among prospective members as to which cities and towns in the county were covered under the word greater. We hope now all residents of the county will feel welcome. Thank you to Gay Lewis for her never-ending hard work on this project.

We held our annual Beach Party at Ocean Beach dog beach in August. It was a beautiful day and not too hot! Had a nice visit with old friends and met some new ones. I think everyone had a great time and I know the young dogs had so much fun playing in the water.

We had our Howl-o-ween party in October. This is always our biggest event of the year, and we enjoyed it with members of Southern California Bulldog rescue. The best part was the costume parade and contest. No one can deny that there is nothing cuter than a Bulldog in costume.

Our annual traditional Christmas dinner will be held in December. This is the only party where we don't invite the dogs. It always proves to be a great evening spent with friends. We have a nice, quiet, traditional sit-down Christmas dinner followed by our wild and wacky Christmas gift game.

Please join us in February for our annual Bulldog specialties. We will once again partner with Silver Bay Kennel Club in Del Mar, California, where the surf meets the turf. Six possible majors: three Bulldog Club of San Diego County specialty shows and three Silver Bay all-breed Shows. We can't wait! Hope to see you there.

The **Las Vegas Bulldog Club** is looking forward to the last quarter of our year and being able to resume our normal club activities. We are all thankful that the desert temperatures are becoming lower.

October was our busiest month, including holding our annual Waking up in Vegas specialty shows and sweepstakes, and hosting the Bulldog Club of America Division III 2022 designated specialty show at Morrell Park, in Henderson, NV. There were six shows in three days. We also hosted our annual Bull-OOOH-Ween family fun celebration at Floyd Lamb State Park, complete with food and a fabulous costume contest.

In November, we look forward to honoring our Veterans and bringing Bulldogs and gifts to visit the state Veteran's Home in Boulder City, NV. The Bulldogs bring much joy to all of the patients, our wonderful heroes that we celebrate!

December's gathering will be our annual Winter Wonder-Bull holiday celebration at Big Dog's Draft House. We dine on the patio with our Bulldogs, have a Pawliday photo booth, and also have our Wild West gift exchange.

May 2023 bring more great Bulldog adventures to all of our BCA clubs and fans of our breed throughout the nation.

Division IV completed a successful show in July at the Dallas cluster. The rest of the summer has been quiet and HOT. I'm sure everyone is working to keep their bullies cool at this time of the year. Our next Division show will be in December in conjunction with the Dallas all-breed show.

The **Bulldog Club of Denver** has been filled with fun events in Denver this summer. We enjoyed our annual picnic, ice cream social, and B-Match. The Bulldogs (and people) loved getting together in the parks and sharing laughs, although some Bulldogs wished we shared more of the goodies with them!

We had a very successful specialty show in April. Thank you to all that supported us through entries, donations, and volunteering! We are already hard at work planning for 2023's show. Mark your calendar now for April 28-30, 2023 for the Bulldog Club of Denver's 2023 specialty show. Follow us on Facebook for updates on details!

The **Fort Worth Bulldog Club** members are excited to have the cooler fall and winter seasons to prepare for our upcoming shows with the Lone Star Bulldog Club after a blazing hot summer. We'll be celebrating our 14th annual Texas Two Step show weekend March 17-19, 2023 in Denton, Texas. With the addition of a Division IV show, the weekend will feature five shows over three days. Club members are actively looking into more fundraising opportunities for the shows and would love your support with a trophy sponsorship. Please contact us via our Facebook page to learn more.

In member news, our club is grateful to have several new members on its roster list, including Brenda and Ken Ross, Arelis and Jose Santiago and their granddaughter, a junior handler (the future of our sport!). We'd also like to thank the Lone Star Bulldog Club Rescue, as the group recently hosted an online auction with items from the estate of longtime Fort Worth Bulldog Club members, Celia and Tom Fuller. The Fullers chose to support rescue before they passed because they believed in its lifesaving mission. Thanks to their donations, the auction raised nearly $15,000 and we know our dear friends' legacies will continue to live on in the dogs they helped to save.

The **Texoma Bulldog Club** would like to thank those who came to our July show. With your participation, the shows were majors. We're looking forward to our show on December 8. Hope to see you there.

Division V held its third quarterly meeting in person on August 5, 2022 in Olympia, WA after the BCGS specialty show.

The **South West Oregon Bulldog Club** (SWOBC) closed out another busy hot summer of shows and competitions with cooler autumn weather arriving throughout the northwest. Congratulations goes out to

our members for placements and titles won.

On September 10, SWOBC held a meeting in Roseburg at Dave and Maree's trailer during the Umpqua Kennel Club shows. We reviewed the November shows in Central Point. Everything for the two concurrent specialties and the Bulldog supported entries are together and moving on schedule. Next on the agenda was getting busy on all of our applications for our 2023 Bulldogs in Bloom specialties, April 6 and 7, 2023 in Albany, OR at the Linn County Fairgrounds filed with AKC. We continue to work with the Chintimini Kennel Club shows at the Linn County Fairgrounds April 7–9, 2023. SWOBC will have a Bulldog supported entry each day and we are also holding a concurrent BCA Division V specialty on Friday April 7. Mark your 2023 calendar now for our shows next November! This November 4 - 6 South West Oregon Bulldog Club had a Bulldog supported entry for all three days of the Southern Oregon Kennel Club shows in Central Point. Friday was also a concurrent BCA Division V specialty and Saturday SWOBC ran their own concurrent specialty. Friday evening SWOBC members met at Applebee's for dinner and a quick meeting. On Saturday November 5, in observance of Responsible Dog Owners Day, SWOBC ran a CERF Clinic with Dr. Sarah Maxwell. Members present for the shows were busy showing, ring stewarding, and helping with the specialties and clinic. A BIG THANKS goes out to everyone!

On December 5, SWOBC will meet at Heaven on Earth to close out 2022, nominate officers for 2023 and cheer in the holiday spirit.

The **Bulldog Club of Greater Seattle** (BCGS) had its first annual Summer Games & Picnic in June at a local park followed by a Fun Match & BBQ in July. Both events were well attended and everyone had a great time with our fellow Bulldoggers.

In August, BCGS hosted its annual specialty weekend with six shows in three days at a great outdoor venue. We also had a day of health clinics and a seminar and demonstration on the benefits of acupuncture for dogs. Our silent auction, beer/wine pull, and Pot of Gold fundraisers were fun and successful. Thank you to everyone that attended and supported our shows!

We celebrated Halloween and plans are currently underway for our annual Christmas festivities as well as the annual election of board members in December.

BCGS is looking forward to an exciting 2023!

The **Bulldog Club of Utah** has been pretty quiet for the club the last few months. But things are starting to pick up.

Members participated in the September Great Basin Non-Sporting Group show in conjunction with the Bonneville Basin all-breed shows. This year, because Bonneville lost the Farmington venue (one more blow to the fancy), it was held at the Salt Lake County Equestrian Center in South Jordan.

We held our annual election meeting on October 22, followed immediately by Bullyween. Always a great time thanks to event planner Becklyn Thee. There was a costume parade, awards, and pizza. How could it not be a great time?

Plans are underway for the 2023 specialty shows. Mark your calendar for Wednesday, May 3. Seven shows in five days all at the same location: Salt Lake County Equestrian Center. Hope to see you there.

The **Alaska Bulldog Club** summer show season wrapped up with four shows in Soldotna hosted by the Kenai Kennel Club in early July followed by a Non-Sporting Dog Club specialty show in Palmer on July 28 and three Cook Inlet Kennel Club all-breed shows. After a fall break, we ended our show year with another Non-Sporting Dog Club specialty and an all-breed show in Palmer in early November.

Division VI will have our next meeting in February 2023 at the Bulldog Club of Greater St. Louis specialty shows.

The **Bulldog Club of Central Iowa** as usual, had the annual specialty in conjunction with the Amana Colonies Cluster Labor Day weekend. We took notes of everything that went well and what can be tweaked for next year. Thanks to all who attended. Please keep us in mind for 2023! ~ Ann-Marie Conway

The **Bulldog Club of Greater St. Louis** hopes Bulldoggers plan to come to our shows in February 2023. We will host two Bulldog Club of Greater St. Louis shows and two Division VI shows. BCGSTL and sweepstakes Friday, February 24, two BCA Division VI shows on Saturday February 25, and a BCGSTL show and Junior Showmanship on Sunday the 26th. We will be back at the Holiday Inn in Eureka Missouri again.

We look forward to seeing you. ~Karen Scott

The **Heart of America Bulldog Club** hopes you all had a wonderful summer and are ready for fall. We are gearing up for our show in 2023, March 24-26, four shows in three days with sweepstakes on Friday. We will be at the Grain Valley Community Center again. We hope to see everyone for another fun filled weekend with fellow Bulldoggers. Check out AKC for details.

We are in the beginning stages of a community outreach program and would appreciate anyone who has rehomed a puppy in the Kansas/Missouri area to please reach out to their families to like our Facebook and Instagram pages.

We will host a fall social with club members and the community, details to follow via social media.

Happy Fall y'all! ~ Stacey Gann-Trentham

The **St Paul/Minneapolis Bulldog Club** specialty shows where held in July and were a big success.

On August 14, club members and their dogs participated in the Student Move-in/Orientation weekend for Minnesota Independence College Community (MICC) which was held at Donaldson Park in Richfield. MICC is a 501(c)3 non-profit vocational and life skills training program for young adults between the ages of 18-26 with learning differences and autism spectrum disorders. MICC reached out to the club, as their mascot is the Bulldog, and they thought that introducing the students to loving Bulldogs would be a wonderful way to celebrate the beginning of the new school year and help break the tension and anxiety of moving to a new school and living away from home. On October 29, our club held its annual Halloween party and Bulldog costume contest. This event is a lot of fun for club members and their dogs.

Check out our website: *www.bulldogclub.org* for more information on club events or check us out on Facebook.

The Division has also sponsored agility trials throughout the year and will again in 2023, at the Level-Up Dog Sports facility in Mechanicsville, VA. Robert Rodenski and Robin Stowell visited a trial in August to show their support for the BCA trials. A BCA banner is being made to hang in the facility to promote our sponsorship. Check their website for events and dates.

The **Capitol Bulldog Club** supported the Bulldog entries at the Fredericksburg Kennel Club's shows, during the Celebrate Virginia cluster in Doswell, VA. Four Bulldogs finished their championships and the exhibitors enjoyed majors in almost all of the five shows that weekend. We are planning our annual specialty shows the weekend of March 17 - 19, 2023. Division VII will join us again. We appreciate everyone helping to make this a very successful annual event. ~ Robin Stowell

The **Piedmont North Carolina Bulldog Club** supported the entries of Bulldogs at the Greensboro Coliseum, NC in August. The specialty shows were held on Saturday, October 29 in Charlotte. Breakfast and lunch was served each day. We held our second annual Howl-o-ween contest at those shows and had the same amazing turnout as we did last year. ~ Brenda Sylvia

The **Bulldog Club of Greenville, South Carolina** supported the entry of Bulldogs at the Greenville, SC show in July. Our specialty shows were held in Charlotte, NC on Friday, October 28. The **Music City Bulldog Club** (MCBC) has been off for the summer. We resumed with our meetings in September. Several of our members have been fortunate to have some good looking litters in the last few months and have been showing with some good wins. Thanks to Facebook, they can share, and we can keep up during our break.

Hoping many folks will attend our 2022 National week in Knoxville, TN in November. Good luck to those that show and safe travels to all. ~ Judy Russell

The **Smoky Mountains Bulldog Club** started spring with an in-person event at the Oak Ridge Kennel Club facility. Our Easter parade and picnic was well attended and enjoyed by all. Some of the categories that our bullies competed in were: Best Easter Bonnet, Best Bullie Bunny, Best Behaved, Best Silly Trick and Best Smile to name a few. Prizes and "trophies" were awarded and followed by a potluck lunch. We are hoping our next program can be on performance bullies. Some of our members have achieved performance titles and we want to celebrate their accomplishments and show off just what our bullies can do. We are looking for a fall date when we can coordinate with the Oak Ridge Kennel Club training facility and training director to demonstrate Bulldogs are more than just pretty faces. Of course, excitement is mounting for the November National week right here in Knoxville, where we are looking forward to welcoming all our bully friends for a great week of Bulldogs. ~ Mari DeCuir

The **Tampa Bay Bulldog Club** (TBBC) is saddened by the loss of club member, Jim Cardello who was a great Bulldog judge!
