II. BCA NATIONAL SHOW DIVISION AND YEAR ROTATION PLAN

A. Rotation Plan

YEAR	2022	2023	2024	2025	2026	2027	2028	2029	2030	2031
DIVISION	8	5	1	6	2	7	3	8	4	1

Under the BCA National Show Division rotation plan, when a Division is home to the National Officers, it will host the National Show in the second year of their term of office. That Division will host the National Show again nine years later and again seven years after that when it has the National Officers again. The rotation repeats itself year after year. ***If at any time prior to the occurrence of a planned National Show, an act of God such as a natural disaster or pandemic or other unforeseeable condition may make it impossible or imprudent, as a practical matter, to hold that National Show as planned (example, effect of Covid-19 pandemic on the 2020 National), such situation should be evaluated in a collaborative manner by the Show Committee and the Executive Committee. Any final decision to postpone, cancel or otherwise materially revise plans for such National Show shall be made by the Executive Committee, with input from the Show Committee, based on all relevant facts and circumstances available at the time.***

B. Odd Year Rotation

Each BCA Executive Committee hosts the National Show in its respective Division in odd-numbered years (the second year of their term of office). The Executive Committee shall select a member club in that Division, or the Division Board itself, to be the Host Club. ***With the advice and consent of the Host Club,*** the Executive Committee shall appoint a Show Chair and approve a Show Committee. The Show Committee in odd-numbered years includes the Executive Committee, the Show Chair, an Assistant Show Chair (if applicable) and a reasonable number of other show committee volunteers. ***Before the Executive Committee from a particular Division takes office, the Division Board from that Division shall have authority to commence reasonable planning for the National Show, which could include selecting a show site and/or identifying a Show Chair. Key decisions about the National Show made by the Division Board before the Executive Committee takes office should be ratified or modified (if and as necessary) by the Executive Committee from that Division at its first meeting after taking office.***

C. Even Year Rotation

The National Show Week during even-numbered years is hosted by the appointed Division according to the Show Rules rotation plan shown above. For each year in the rotation, the applicable Division Board shall choose the Host Club for the National Show, which can be either a member club in that Division or the Division Board itself. The Division Board also shall appoint, or confirm the appointment by the Host Club of, the Show Chair, the Assistant Show Chair (if applicable) and the members of the Show Committee. ***If a Division has reasonable grounds to elect to pass on hosting the National Show in a particular even-numbered year, the Division must advise the Executive Committee of that decision, and the basis for it, by no later than March 1st of the immediately preceding even-numbered year. After that date, the Club is***

entitled to assume that the Division is prepared to host the National Show as provided in the rotation plan. This rule does not apply to situations involving an act of God or other unforeseeable condition affecting the National Show as described above.

In the event a Division in the even-numbered year rotation is not prepared to host the National Show, either as a result of their declining in the manner described above or the Executive Committee not approving its request to host, the sequence of all subsequent Divisions in even-numbered years shall be ***modified by the Executive Committee in its reasonable discretion, taking into consideration the desire and capacity of other Divisions to host the National Show at least two years earlier than anticipated. In making this decision, the Executive Committee shall assess the impact of any hotel contracts for future National Shows that may already be in negotiation or executed at the time of the decision, as well as any other relevant considerations about the timing of future National Shows. After making a decision, the Executive Committee shall have the National Secretary notify each Division Secretary of any change in the assigned years from the rotation plan.*** The Division that has passed its opportunity to host shall be placed at its normal place in the next rotation; however, the Executive Committee shall have the authority to insert the skipped Division in the rotation plan so that it may host the National Show in the next even-numbered year. Subsequent Division rotations shall continue in the manner shown above.

D. Role of Show Chair and Authority of Show Committee

For each National Show, the Executive Committee and the Division Board delegate the responsibility and authority to plan and conduct the National Show to the Show Chair (who must be approved by both the Division Board and the Executive Committee). The approved Host Club shall be responsible for providing liaison and logistical support to the Show Committee but shall have no authority to override any decisions made by the Show Committee. The Show Committee, Host Club and Division Board are to work together to provide a cohesive and cooperative effort in the planning and conduct of the National Show Week.

E. National Show Dates

The National Show shall be held between the dates of September 1 and December 1 of each year. The Show Rules Committee suggests that the following items be considered when selecting the dates for the National Show:

1. Conflict with traditional family holidays
2. Seasonal weather conditions
3. Hotel prices for dates selected
4. Work schedule of participants
5. School holiday schedules
6. Conflict with the dates of the French Bulldog Club National Specialty (due to the number of exhibitors that show both breeds)

F. Step by Step Summary of the Process for a Member Club to be a National Show Host Club

1. ***Determine the year in which that member club's Division is expected to host the National Show based on the Show Rule's rotation plan. If it's an odd-numbered year, the National Officers will be from that same Division and will be part of the Show Committee.***
2. ***Between 3 and 5 years before the event, the member club should express interest in hosting the National Show to the Division Board and agree with them on a selection process with set milestones.***
3. ***A Division Board should select a Host Club at least two years before the event. That Host Club should propose a Show Chair and initial National Show Committee for approval by the Division Board. The Host Club must also obtain the Division Board's approval of the show venue before proposing it to the Executive Committee.***

4. *The Show Chair will be responsible for finding a hotel venue that satisfies the requirements of the Show Rules (or have an acceptable basis to waive or modify any such requirement) and for proposing initial terms for a contract between either the Host Club or BCA and the chosen hotel. The Show Rules require the Show Chair to use the attached RFP in the site selection process.*
5. *The Host Club should submit for Executive Committee consideration the names of the Show Chair and the rest of the Show Committee; and the proposed show venue, including the room rate, pet fee, food/beverage commitment and other key terms. These items can be placed on the Executive Committee agenda for one meeting or in parts for multiple meetings, but the Host Club should obtain final approval no later than the first meeting of the Executive Committee in the year immediately preceding the proposed National Show year. Under the Show Rules, the Executive Committee reviews the proposed show site to ensure it conforms with the Show Rules' requirements (or there are grounds for a waiver).*
6. *Pursuant to an agreement that an approved Host Club must sign with BCA (first attachment to the Show Rules), the Host Club agrees to certain conditions for hosting a National Show. The Executive Committee will provide the Host Club, once approved, with a letter authorizing the Host Club to negotiate with hotels and contract with show sponsors for that National Show.*
7. *The Show Chair must provide a draft of the hotel contract to the Executive Committee for comment at least a month prior to signature.*
8. *Under the Show Rules, only the National President can sign a hotel contract in the name of BCA and if the contract is instead in the name of the Host Club, that contract must still be approved in writing by the National President before it can be signed.*

III. APPROVALS FROM THE EXECUTIVE COMMITTEE

A. Executive Committee Approval of Show Committee

Once appointed, the Show Chair is authorized, on behalf of the Host Club, to identify possible members of the Show Committee and begin the process of locating a hotel suitable to hold the National Show. Pursuant to the Show Rules, the Host Club is required to obtain certain approvals for the National Show from the Executive Committee. The Host Club can seek those approvals at one time in one presentation or at different times depending on when the necessary information becomes available. The Host Club should submit the names of the Division-approved Show Chair (or interim Show Chair in some situations), Assistant Show Chair (if applicable) and members of the Show Committee for the National Show to the Executive Committee for approval at least 18 months prior to the proposed date of the show (the “**EC Show Committee Approval**”). As part of the Host Club’s proposal, the Host Club must submit a signed statement agreeing to conform to the mandatory items as stated in the current edition of the Show Rules. See BCA National Show Agreement, Show Rules Attachment 1. Under the Show Rules, the Executive Committee has the authority to decline approval of a Division’s plan to host the National Show in an even-numbered year. See Even Year Rotation above.

If the Executive Committee gives the Host Club the EC Show Committee Approval, the Executive Committee shall provide a letter (see Show Rules Attachment 2) authorizing the Show Chair (or interim Show Chair) to act as the BCA’s designated representative for the conduct of the National Show, including in the negotiation of any hotel contracts or letters of agreement that the Host Club may desire with any group, or groups, that provide sponsorships for the National Show Week.

B. Executive Committee Approval of the Hotel Venue

The Show Rules provide that hotel contracts for the National Show should in most circumstances be negotiated and signed at least two years and up to four years before that National Show. If a Host Club wishes to secure a hotel venue four years before the National Show, the Host Club may want the Executive

Committee's approval of the venue and of the hotel contract before requesting the EC Show Committee Approval (to allow more time to identify members of the Show Committee). The Host Club should under any circumstance request approval of the proposed Show Chair in the first request it makes to the Executive Committee. Once the Host Club has identified a suitable hotel venue and is ready to negotiate the hotel contract, the Host Club should provide specific information to the Executive Committee that demonstrates that the proposed show venue satisfies the venue requirements in the Show Rules (or, if necessary, the Host Club may request a waiver or modification of a requirement in accordance with these Show Rules). Before a Host Club submits a hotel contract for consideration by the Executive Committee, the Host Club should request an acknowledgement from the Executive Committee that the proposed show site is consistent with the requirements of the Show Rules (see Show Rules Attachment 3) , subject to any waivers or other exceptions that have been approved for the show by the Executive Committee pursuant to the flexibility permitted under these Show Rules (the "**EC Hotel Venue Approval**").

C. Executive Committee Approval of the Hotel Contract

After receiving the EC Hotel Venue Approval, the Show Chair is required to then send drafts of the proposed contract or contracts for the National Show hotel and any other facilities to be used for the show to the National Secretary at least two and not more than four years prior to the scheduled date of the National Show Week, with a copy to the Show Rules Chair. Under the Show Rules, National Show hotel contracts in the name of BCA (which includes any Division) can only be signed by the National President. If the contract is to be signed by an individual Host Club and not BCA, no National President's signature is required, ***but in that case, the Host Club must still get a written approval from the National President before signing.*** The Executive Committee, and its designated expert, shall review the proposed contract and provide any comments, suggestions, or recommended changes to the Show Chair within 30 days of receipt of the proposed contract or contracts. Once the Executive Committee is satisfied with the responses to its comments and approves the contract(s), the Executive Committee shall authorize the National President to sign the hotel contract on behalf of BCA and the Host Club ***or if BCA is not a party to the contract, to approve the contract for signature by an officer of the Host Club*** (the "**EC Hotel Contract Approval**").

IV. FEE FOR USE OF THE BCA NAME AND LOGO ("National Show Fee")

Pursuant to the BCA National Show Agreement (see Show Rules Attachment 1), for the right to host the National Show and use the BCA name and logo, the Show Committee, on behalf of the Host Club, shall be liable for a National Show Fee payable to the Bulldog Club of America in an amount equal to ***\$10 per dog entered at the BCA National Show.*** The Show Committee shall pay BCA ***\$2,000*** (check sent to the National Treasurer) ***as an estimate*** of such fee before the end of the ***third quarter*** of the show year. ***Once the number of dogs entered for the National Show has been determined, the National Treasurer shall either refund the excess fee to the Show Committee in the event the entered dogs are below 200 or bill the additional amount due from the Show Committee if the entered dogs are greater than 200. Payment of any refund to the Show Committee, or payment by the Show Committee of any additional amount due, as the case may be, shall be made within 30 days after the National Show.***

V. VENUE/HOTEL

A. Selection Process

All National Shows are to be held at a hotel able to accommodate a large group, including a hotel with an adjacent convention or event center. No National Show shall be held at a casino connected to an Indian tribe where tribal law would apply.

To initiate the host hotel selection process, the Host Club for a National Show should add the details about their National Show into the hotel Request for Proposal (RFP) (Show Rules Attachment 9), and the Host Club

is then required to use the RFP with any hotel being considered as a possible National Show site. One purpose of the RFP is to communicate the venue requirements of these Show Rules to each hotel candidate. The Show Chair may provide up to three RFPs that have been submitted by hotel candidates for review by **the Show Committee, Host Club, Division Board** or Executive Committee as appropriate depending on whether the National Show is being held in an even or odd-numbered year. After such review, the final decision about the selection of a hotel will be made by the Show Committee, taking into consideration the venue requirements set forth in these Show Rules, along with any recommendations from the **Host Club, Division Board or Executive Committee**.

B. Venue Requirements

1. Fairly large area or separate room close to the show rings for crating and grooming (whether offering reserved spaces or not). An area of approximately 2000 – 4000 square feet is recommended.
2. One large show room of 8,000 square feet or more to accommodate the show rings, spectator seating, and show secretary or superintendent. This does not include the space needed for grooming above.
3. Sufficient space outside for exercise pens or sufficient grass areas to accommodate the projected number of dogs entered at the show and located in as close a proximity as possible to the closest exits from the show room. Exercise pens, if necessary, should also be located in the vicinity of the motor home/RV parking area.
4. Banquet room large enough to seat approximately 200 to 300 persons depending upon the area of the country and the projected entry for the show.
5. A meeting room for the Council to accommodate approximately 80 people in classroom seating format with a podium and microphone at the front along with a head table for the National President and if desired the other National Officers.
6. Additional meeting room space to accommodate various committee meetings held prior to the Council meeting and other meetings that may be scheduled during the week as requested by the Executive Committee, host Division Board, Host Club, Charitable Fund or BCARN.
7. A small room that can be set up as an office for Show Committee business and for BCA Committee Chairs to prepare and copy reports.
8. A room of approximately 3,000 square ft. for the Gallery and Hall of Fame plaques. The room needs to be lockable and secure. Any variance of the room size below the 3,000 square feet shall be discussed with the Hall of Fame/Gallery Chair, ***and a reasonable plan for exhibition of the Gallery shall be made by the Show Chair with the consent of the Hall of Fame/Gallery Chair (whose consent cannot be unreasonably withheld) before the hotel contract is signed.***

The venue requirements above can be modified or waived as appropriate upon presentation of a rationale and appropriate plan which is agreed to by the then current Executive Committee. The Executive Committee should not approve any modification or waiver that could reasonably be expected to have a material adverse effect on the financial result or overall attendee experience at the National Show Week.

C. Hotel Contract Requirements/Suggestions

Attachment 5 to these Show Rules contains important suggestions and considerations for negotiating the hotel contract for the National Show. Please review carefully.

1. The RFP should request that the hotel contract for the National Show include a fee for cancellation of reservations equal to one night's lodging plus tax if a reservation is not canceled by an agreed to cancellation date with the hotel or, alternatively, the hotel will collect a deposit in the same amount at the time a reservation is made which shall be refundable only if the reservation is cancelled before the same date. The Show Committee needs to remind attendees of this cancellation policy. The purpose of

this provision is to encourage any attendee that needs to cancel a room reservation to do so before an agreed upon cancellation deadline so that the Show Committee can better assess the number of room nights likely to be realized and compare that number to the hotel contract requirement.

2. No Show Chair or person signing the hotel contract shall receive from the hotel any remuneration, financial benefits or hotel reward points for their personal benefit.
3. The Host Club must obtain the EC Hotel Contract Approval before the hotel contract can be signed. See Approvals from the Executive Committee above. A copy of the final signed hotel contract shall be sent in a timely manner to the Show Rules Chair.
4. A few weeks before the agreed reservation cancellation deadline, the Show Chair should review a list of the reservations provided by the hotel (subject to the hotel's agreement to provide such list) for the National Show Week to determine duplicate reservations or reservations not needed based on all information available, focusing in particular on any one person with multiple rooms. Subject to the hotel's acceptance, any individual making reservations for multiple rooms in the same name could be required to pay a deposit of one night's lodging plus tax for each room reserved at the time the reservation was made.
5. It is mandatory that all hotel guests with dogs sign a statement of responsibility for damage to rooms upon check-in. ***A form of such statement is shown in Attachment 6.***

VI. SHOW REQUIREMENTS

A. National Show Schedule

1. Unless the National Show Week includes what is referred to as a "Pre-Show" (see below), the National Show shall be the first show of the National Show Week and the schedule for the National Show shall be as follows:

Day 1 (A.M.) Obedience and Rally

Day 1 (P.M.) Sweepstakes

Day 2 Dog and Bitch class judging

Day 3 (P.M.) Junior Handling, Veterans, Intersex and Non-regular classes

Unless otherwise decided by the Executive Committee, the BCA Council Meeting shall be held on Day 3 (A.M.). Time to be determined by the Executive Committee.

2. Obedience, Rally and Junior Showmanship shall be offered once as part of the National Show, ***but they may also be offered, at the discretion of the Show Committee, as part of a pre-show or back up show or in the case of obedience and rally, be offered as a standalone event.*** There will be only one Sweepstakes during the National Show Week offered on the first day of the National Show. Sweepstakes preferably will not be held at night since puppies could be exhibited very early the next morning.
3. ***Notwithstanding the National Show schedule shown above, the Show Committee shall have the discretion, based on its entry expectation and other relevant factors, to condense*** the schedule for the National Show to two days as long as the morning of the last day or the morning of the day after the

last day is left open for the Council Meeting. The Show Committee shall be required to advise the National Secretary promptly following any final decision to hold the National Show over two days.

- 4. *Conformation judging for dog and bitch classes in sweepstakes and class judging at the National Show shall be conducted sequentially in one ring unless in the judgement of the Show Committee, the entry is too large to accommodate all of such judging in one ring within the schedule as planned.***

B. Pre-Show and Back Up Show Schedules

- 1. *Pre-Show*** - The Show Committee shall be entitled in its discretion to hold a one-day conformation show at the National Show site on the day immediately preceding the first day of the National Show (under these Show Rules, a "Pre-Show"). One positive outcome of the Show Committee hosting a Pre-Show is an increase in hotel room nights used by the group, and there could be other attractive financial benefits for the overall National Show Week. If the Show Committee decides to hold a Pre-Show prior to the start of the National Show at the National Show site, they must consider the BCA committee meetings typically held on that day and the number of entries when scheduling the starting time. It is important that time be made available for the meetings with minimal conflict due to the Pre-Show.
- 2. *Back Up Shows*** – *Due to the recent decline in entries during National Show Week, especially for back up shows, the following rule shall be effective beginning with the National Show Week in 2025. Beginning with the National Show Week in 2025, each back up show, as well as any preshow, should be held on a single day unless the Executive Committee approves a two-day schedule for one back up show on justifiable grounds. One day can easily accommodate current back up show entries, using two rings for class judging if necessary.*
- 3. *Number of Shows*** – *The Show Committee shall have the discretion to schedule no more than one Pre-Show as provided above and up to three back up shows following the National Show provided that each of such shows can be scheduled to occur on a single day. FOR THE SAKE OF ILLUSTRATION ONLY, the following Thanksgiving week schedules for a National Show Week would each be permissible:*

Example One

Sunday – One day preshow with committee meetings in the evening

Monday—National Show with two rings with obedience/rally in one ring and sweepstakes in the other. Class judging in one ring in the afternoon.

Tuesday—Council meeting in the morning, National Show intersex, nonregular classes in the afternoon and National Banquet in the evening

Wednesday—One day back up show

Allows participants to possibly be home for Thanksgiving.

Example Two

Sunday – Only committee meetings

Monday—One day preshow

Tuesday—National Show with two rings with obedience/rally in one ring and sweepstakes in the other. Class judging in one ring in the afternoon.

Wednesday—Council meeting in the morning with National Show intersex/nonregular classes in the afternoon

Thursday—One day backup

Friday—One day backup and National Banquet

Saturday—One day backup

These examples deliver what BCA members want, maximum number of chances to compete over whatever period is chosen for the National Show Week.

4. Additional scheduling requirements and options.

- a. The National Banquet cannot be scheduled for Thanksgiving evening and must be scheduled so that at least one back up show is to be held following the National Banquet.***
- b. Beginning in 2023, the Show Committee shall have the discretion to schedule a second obedience and rally trial (not part of National Show itself) or other performance events during the National Show Week as they see fit.***
- c. Show Committees are encouraged to match the number of judges hired with the expected entry and be creative in using judges so as to reduce overall costs. For example, if a Show Committee expects fewer than 175 entries at a back up show, it can hire one judge for the entire conformation event. If entries are expected to be between 175 and 200, the Show Committee could hire one judge to do classes at one back up show and intersex at another back up show the next day and hire one additional judge to do the opposite over the two days. These creative solutions to the entries we are experiencing today have the potential to save significant dollars for the Show Committee and for the exhibitors who attend the National Show Week.***
- d. Show Committees are encouraged to discuss their proposed schedule early in the process, before signing a hotel contract or hiring judges, with their respective Division Boards and with the Executive Committee in office at the time. A shorter schedule for the National Show Week could have significant implications for what would be the acceptable terms in a National Show hotel contract and must be well considered before final decisions are made.***

C. Entry Fees

- 1.** The Show Committee shall have the authority to set the entry fees for each event held as part of the National Show Week; provided, that there shall be a reduced entry fee at each show for Puppy and Bred-by Classes (as set by the Show Committee in its discretion). No entry fee is to be charged for Junior Showmanship.

A. Show Chair

Pursuant to these Show Rules, the Executive Committee in odd-numbered years and the Division Board in even-numbered years ***(in both cases with the advice and consent of the Host Club)*** shall appoint a Show Chair who shall be responsible for planning and conducting the National Show. If desired, an Assistant Show Chair can also be appointed to assist the Show Chair. ***For even-numbered years,*** if the Division Board that appointed the Show Chair and in some cases an Assistant Show Chair believes in its opinion that a Show Chair and/or Assistant Show Chair has failed to perform their responsibilities in the proper manner and/or are guilty of gross misconduct in the performance of their duties, or believes that a Show Chair and/or Assistant Show Chair have been unable to work effectively with a newly elected Division Board, that Division Board shall have the authority to replace the Show Chair and/or Assistant Show Chair, so long as this action has received the prior approval of the Host Club by a two-third's vote taken at a general membership meeting. Any change in the Show Chair or Assistant Show Chair pursuant to this paragraph must be submitted immediately to the then current Executive Committee and shall require their final approval before it can be made effective. ***For odd-numbered years, the Executive Committee shall have the authority to replace the Show Chair and any Assistant Show Chair appointed by that Executive Committee (or the Division Board acting on its behalf) under the same circumstances and conditions described above for even-numbered years.*** The Executive Committee, Division Board and Host Club should take all reasonable precautions to avoid any chance of jeopardizing the hotel/site contracts when taking any action to change the Show Chair, Assistant Show Chair or any other member of the Show Committee.

B. Show Treasurer

The Host Club shall appoint a Show Treasurer for each National Show. If the National Show bank account is set up with the BCA taxpayer ID number, the Show Treasurer will be a covered position under the BCA Crime Insurance Policy and as a result must follow the requirements of that policy. The Show Chair will verify that the Show Treasurer has conferred with the National Treasurer as to whether this position is covered by the then current Crime Insurance Policy. ***In the event the Show Treasurer position for a particular National Show is not covered by this policy for any reason, the Host Club shall be required to secure comparable coverage up to an appropriate dollar amount from a crime bond or insurance policy purchased at the Host Club's own expense.***

The financial reporting requirements in the Show Rules, and the audit of the final financial report, are intended to serve strictly as a matter of communication to an interested party, BCA, and these reports can be extremely valuable to future show committees. It is not the intent of these Show Rules to control any aspect of how shows are financed, or importantly, how the final monies are distributed (as long as these funds are distributed to Bulldog Clubs and not individual members).

The number of nights and types of food are determined by the Show Committee's budget and hotel contract requirements. Other suggested actions:

1. Organize a welcome table in venue lobby

Welcome package given out when checking into the motel/hotel, with a list of the locations of the meeting rooms, show rings, Gallery, etc, list of hotel rules for dogs, complete schedule for weekend, location of nearest shopping center and restaurants. L. Ways and Means/Fundraising

Develop fundraising ideas for the National Show Week. Fund raisers could include silent auctions, raffles, 50/50 drawings, generic Division dog shows, etc. Fund Raising for a National Show may not begin earlier than four years prior to the show, and until the National Banquet the year before the show, fund-raising shall only be done within the Division of the National Show so as not to compete with earlier National Shows.

VIII. JUDGES

A. Selection Process

The Show Committee shall choose all the judges for the National Show Week as soon as possible after it receives the EC Show Committee Approval, but not until the preceding year's Show Committee has announced their National Show Week judging panel. The Show Committee shall select their judges after consulting with the Division Board and Host Club for suggestions. A Host Club or Division Board may submit a list of acceptable judges to the Show Committee if they wish. However, it should be kept in mind that many judges may decline the selection (especially for the last show), and the Show Committee may be required to consider other judges not on the list of acceptable judges. The list of proposed judges and alternates for the National Show must be sent to the **National Secretary** for verification of eligibility.

Should charges be upheld, restitution shall immediately be made to said hotel/motel by the violator(s), and the following actions may also be taken:

B. Show Treasurer Reports

1. The Show Treasurer is required to prepare a standard financial report for the Show Committee for the National Show, an example of which is shown in Show Rules Attachment 7. Material show income and expense items should not be combined under general descriptions such as "other" or "PAYPAL" but instead should be included under a more descriptive income or expense item (e.g., "Banquet Sales" or "Hospitality"). early as possible, any agreement with respect to finances or profit distribution made between or among the Division Board, Host Club and any other member club within the Division that participated in hosting or fundraising for the National Show Week. ***It is recommended that the Show Committee record in particular the terms of any loan, deposit, donation, advance or other funding provided at any time to the Show Committee to ensure that any such funding is treated in the manner agreed.***

C. Risk of Insolvency

If at any time there is a reasonable chance that a Host Club may incur liabilities greater than their projected assets, the Show Committee must notify the BCA Executive Committee of this risk as soon as they become aware of it.

D. Gallery Paintings

Original paintings of the Best of Breed and Best of Opposite Sex at the National Show shall be procured by the Hall of Fame/Gallery Committee and displayed for the first time in the Gallery at the following year's National Show. If a dog winning Best of Breed or Best of Opposite Sex at any National Show is already in the Gallery as a result of a prior win, no additional painting of that dog shall be added to the Gallery. The Hall of Fame/Gallery Committee shall be responsible for choosing an artist and making all the necessary arrangements for the painting(s). If there is only one new painting to be added from a particular National Show, the Host Club shall bear the entire cost of that painting.

Because the Club may need a significant number of copies, the Show Committee should not rely on the front desk at the show hotel or the hotel's business center as a means of satisfying this requirement, unless the Show Committee is able to ensure that the hotel understands and accepts the potential disruption from making such copies and is willing to make them at a reasonable cost.***

B. National Gallery

The Hall of Fame/Gallery Committee will use its best efforts to display a list of the hours that the Gallery will be open at the entrance to the Gallery room.

C. BCA Committee Meetings

BCA Committee Chairs deciding to hold a committee meeting at the host hotel must request a meeting room from the Show Chair, in ample time for rooms to be assigned and included in the schedule for the week. E. Education Seminar

A BCA Education Committee Seminar shall be held one evening during the week with the topic to be selected at the discretion of the Education Chair.

XIII. OTHER NATIONAL SHOW MATTERS

A. Attendee Registration

To reduce the risk that the Host Club fails to satisfy its room night commitment under the hotel contract, it is essential under the hotel contract that the hotel be required to credit the Host Club with all room nights consumed by National Show Week attendees. Reservations made with third-party travel sites or using hotel loyalty program apps or other travel apps are frequently not credited to the Host Club. It is strongly advised that about two months before the National Show Week, the Host Club ask all attendees to register their attendance on the National Show website, providing an email address and indicating in the registration whether the attendee has a reservation with the host hotel. This information can then be compared to the hotel's room reservations list, and the Host Club can provide the hotel with any room reservations for attendees that appear to be missing from the hotel's reservation list. When attendees register, the Show Committee is also able to share beneficial information about the National Show by email with the registered attendees.

B. Veterinarian

Should it be necessary, a local person must be available to transport an exhibitor and affected bulldog to the listed "on call" veterinary clinic unless an onsite facility is provided. In accordance with AKC Rules, "the official (show) Veterinarian shall not exhibit, act as an agent or handler at the show, and dogs owned wholly or in part by him shall not be eligible to be entered at that show." This shall include any "on call" veterinarian listed in the premium list and judging schedule.

C. Chief Steward and Stewards

The Chief Steward (CS) is appointed by the Show Chair and will select individuals with stewarding experience to steward for all events at the National Show. The Chief Steward must be familiar with AKC Rules and Regulations and the AKC Dog Show Steward's pamphlet. It is recommended that the CS have personal copies of relevant Rules (Dog Show Rules, Obedience, Junior showmanship, Judge's Rules and Procedures, Stewards, Dealing with Misconduct, etc.) available for reference purposes, if necessary.

It is suggested that there be a minimum of two stewards per ring for regular classes and three stewards for Best of Breed. These guidelines should be followed:

1. All stewards will be dressed professionally during show hours. Formal or Semi-formal wear expected for the National Show.

2. The CS will steward only to relieve another steward or for Best of Breed if needed.
3. The CS will not enter or exhibit at any of the shows during the National Week, and other stewards will not enter dogs owned or co-owned by them at any show they are scheduled to steward. No steward will enter the ring as a handler or agent at any show they are stewarding.
4. The CS will coordinate with the Show Committee to have trophies set up in an orderly manner at least 30 minutes before start of judging, and the Trophy Chair will be available for any distribution questions and / or assistance about the day's trophies.
5. Stewards shall report to ringside for any last-minute instructions from the Chief Steward 45 minutes to 1 hour before scheduled judging. Armbands are distributed at least 30 minutes before scheduled start time.
6. Stewards will give results (including absentees, excusals and move ups) to the Chief Steward or announcer upon completion of each class.
7. The CS will coordinate with the Show Committee to have steward's table supplied with ice water, coffee, tea, soft drinks, waste baskets, pens notepads, etc. throughout scheduled judging.
8. The CS will coordinate with the Show Committee to have luncheon tables reserved and immediately available at each judge's lunch/dinner break. Table reservations shall be for judges, their spouse or significant other and that judge's steward.
9. The CS will coordinate with the Show/Grounds Committee for an individual always available for ring cleanup. Necessary supplies (paper towels, cleaning supplies, pooper scooper, etc.) and fresh ice will be at ringside throughout judging. This is especially important first thing in the morning with puppies and during inclement weather.
10. The CS will coordinate with the Judge's Education Chair for special requests concerning ringside seminar attendees.
11. Catalogs, lunches, snacks and refreshments will be supplied by the Show Committee to all stewards. Show Committee to determine in its discretion if banquet tickets are to be provided free of charge to stewards.
12. It is suggested that the CS assemble a Supply Kit containing: Band-Aids, Neosporin, Aspirin/Tylenol, Kleenex, safety pins, note pads /Post Its, clock, stapler, black marking pen, paper clips, pens/ pencils, alcohol, paper towels, Wet Wipes, anti-static spray and Super Glue.

D. Photographer

The show shall be photographed by a professional dog show photographer. When choosing the photographer, consider the prior experience of the photographer taking bulldog show win photos.

E. Day of the Show

BCA NATIONAL SHOW CONTRACT NEGOTIATION SUGGESTIONS

The BCA is committed to having an annual National Specialty Show. Don't become a victim of circumstance, study previous National history and be conservative in your estimations. While National attendance numbers remain steady we have no idea what the economy will bring. When you are guaranteeing a "full house" off season in the middle of the week, you are in the driver's seat. Basically, you get what you want so negotiate a realistic room block.

Commitment for total room nights:

- * Decide on a date, location, and number of expected attendees
- * Approach several facilities attempting to get the best deal from a facility that meets your requirements.
- * Negotiate for the best price for rooms. If possible keep rates the same for 1-4 persons per room.
- * The room commitment creates the biggest liability in the contract. The number of rooms required will vary in various parts of the country. Be careful when determining a room commitment.
- * Try to get some automatic relief from the commitment, meaning that no damages should be due to the hotel unless the Club falls say 80% below the total required.
- * Keep room commitment on the low side. Maybe cut current rate by 30%. Many cancellations can come in just prior to the show and leave you with rooms way below your commitment. If you have a back-up hotel, keep a waiting list and move people from there to the host hotel as cancellations are received.
- * Arrange for an early cutoff date (2-3 weeks prior to show) so hotel can sell rooms not reserved. This will save you from paying so much to the hotel.
- * Negotiate for a cancellation penalty equal to one night's stay for anyone who cancels a month or less prior to the show. Cancellation fees credited to your commitment.
- * Arrange for early departure fee of \$50.00 to be credited to your account. This done if attendee checks out earlier than stated at registration.
- * If in a resort area, try to get hotel to agree to offering the same rate three (3) days before and after the show dates.

Comp Rooms:

- * It is important to push for as many comp rooms as possible. Should try to negotiate one free room for every 40 -50 nights. These should be figured cumulatively for the week, not per night.
- * Comp rooms should be used for judges' nights and other needs (i.e. Superintendent, vets, photographer, sponsors, etc.).
- * Try to get hotel to agree to offer same rate to rooms over your commitment if rooms are available.
- * You will need rooms for the show, gallery, banquet, and meetings. These should be at no cost to the Club as long as you meet your room commitment or close to it, (about 85%)
- * It has been found it is best to ask for these comp rooms up front before the contract is signed. Be sure it is also included in the contract.

- * Designate vendor space and obtain 14-20 tables with skirts and chairs at no charge. Also negotiate rate for electricity if any will be charged for the vendors.
- * Agree up front to put ex pens outside since they may take up hotel parking spaces. Also important to agree on ex pens being in a good location not too far from the doors.

Hotel Credit Line

- * Most standard hotel contracts will state that you can apply for a credit line so you don't have to pay your obligation in advance. Most Clubs don't have a credit history. Add language to this effect "We agree to approve your credit application if you can show available cash funds or credit card lines of credit sufficient to satisfy your obligations." By the time of the show it is hoped Clubs would have raised enough for the hotel to approve credit. Clubs may be required to pay the hotel in full at departure time or may pay ½ at departure and the remainder within 30 days. If credit is not granted, the host club will need to be prepared to pay the hotel, before the event even starts, the full amount expected to be owed for the event.

Pet Fees

- * Contract for a non-refundable pet fee of approximately \$50.00 to \$75.00 for rooms having dogs. This fee to be used by the hotel for cleaning expenses.

Catering

- * Hotels generally have in the contract that the Club will commit to "x" number of room nights that will be paid for the attendees and /or to spend not less than "x" number of dollars in food and beverage functions including the banquet, judges/stewards lunches, hospitality nights, etc. during the event.
- * Since food prices vary greatly depending on location it might be good to get the hotel to agree to customize affordable menus at the Clubs request to the best of their ability.
- * Clubs will be asked to commit an amount for catering during the week. Acceptable amounts seem to range between \$18,000.00 and \$30,000.00 which includes banquet and evening hospitality. In most cases the host club would be responsible for a significant additional charge for taxes and service (range of 30%) on top of the catering minimum in the contract.
- * Clubs must realize that any amount over the banquet estimate is the responsibility of the host Club and funds must be raised.
- * Most hotels will state that you cannot bring in outside food. Negotiate very hard to get the hotel to exempt morning hospitality to be served in the hospitality area; Clubs should also negotiate for complimentary hospitality rooms.
- * When negotiating prices for evening hospitality consider ordering food and beverage on a per person bases and not in bulk. For example, a gallon of coffee runs more per cup than ordering individual cups. Decide which way is best for you.

Event Cancellations

- * Contracts will require the Club to pay some portion of the obligations if the contract has to be cancelled. These fees increase greatly the closer you get to the show. The fee should be fairly low if cancelled about 2 1/2 years prior to the show. (approx. \$3000), The 2 1/2 years' time frame would be the time at which the host Club would get Executive Committee approval to hold the show. If cancelled 9-12 months prior to the show, the fee could be from \$10,000.00 or more.
- * Should try for exempted cancellations due to acts of God such as earthquakes, hurricanes, terrorist attacks, or other calamities which would prevent at least 40% of attendees from attending the event.

Performance clause

- * Try not to have to pay anything for the room commitment or for catering if you generate at least 80% of your requirement. This gives you a 20% buffer.

Parking

- * Negotiate to obtain free parking for hotel guests attending the show.
- * Negotiate also to get the hotel to give up spaces for a limited number of motor homes without charge.

Misc.

- * Try to get the hotel to assist in setting up the show room at no additional cost.
- * AV equipment is costly through the hotels. Negotiate the use of microphones 1-2 each day at no cost. (Can be used for council meetings, in the ballroom, for education, the banquet, etc.)
- * Arrange for podiums for ballroom, council meeting, the banquet, etc.
- * Be sure that the ballroom has sufficient lighting.
- * Be sure there are an adequate number of elevators.
- * It is good if the hotel has washers and dryers available for the attendees and if possible a specific location where dogs can be bathed.
