from the
PRESIDENT
JIM HALE

Hello fellow Bulldoggers,

I would like to announce that the Bulldog Club of America has signed a new National food sponsor for our specialty shows. Lucy Pet has signed a three-year contract with us. Their generosity will significantly help us put on future Nationals.

Here are some facts on Lucy Pet. It's made in its own manufacturing plant in Irwindale, California. None of their ingredients comes from China, including vitamins and minerals. They are one of the very few companies that actually test their finished goods. Many police K9 units feed this around the country. They have formulae developed for gut health and the microbiome. With limited ingredients, this helps eliminate the problems that go along with food sensitivities and health issues that bulldogs can experience.

I personally have been feeding all of my dogs Lucy Pet since the beginning of May. Since then, I have seen a great difference in my dog's coats. They are much softer and shinier and shedding has decreased.

One of my dogs has been struggling with interdigital cysts for years. After spending hundreds of dollars in vet bills and medications, the interdigital cysts would go away and then come back. Since feeding Lucy Pet, they haven't returned.

Lucy Pet is working on a breeder program with discounts on food. They also are offering puppy packs for breeders that use their food. The puppy packs are beautiful and are a great start to a healthy feeding program.

Jody Ball is the liaison for this program. You can reach her at jball@fusionnetworks.net. She will be happy to assist you. Lucy Pet will also help all parent clubs, if they wish.

I would like to personally thank Marcel Daignault for the lead on Lucy Pet and thank you Jody Ball for stepping up to be the liaison, and for getting the contract.

EDITOR'S NOTE

AKC DELEGATE'S REPORT

Link Newcomb

Thank you for taking the time to read the AKC Delegate's report in the first-ever all-digital issue of The Bulldogger.

Ever since being named as an AKC delegate (first for the Pacific Coast Bulldog Club and then for BCA), I have typically attended in person three of the four quarterly meetings of the Delegate Body each year. That level of attendance requires two expensive trips to New Jersey and one to Orlando each year. I usually try to miss the meeting that has the fewest items of interest on the agenda. However, I chose to miss the June 2024 meeting for a different reason. For the fifth time since I've been a Delegate, the Delegates were considering a Bylaws amendment to eliminate term limits for the AKC Board members. For your information, AKC's Bylaws provide that no person is eligible to continue service on the AKC Board of Directors after serving two consecutive terms. Each term is four years, so as a practical matter, once a director has served two terms or eight years, they cannot run that year as an incumbent, but they can run just a year later, after what is in effect a one-year hiatus. I am generally supportive of the term limits and believe that they have contributed to the election of some "new thinking" Board members over the years. Lately the Delegate Body has been inclined to approve just about everything that comes before it without thinking too much about the consequences. I assumed the amendment to eliminate term limits, like everything else lately, would pass without too much difficulty, and I decided therefore that I would prefer to miss the vote altogether and wouldn't attend the June meeting.

Any change to AKC's Bylaws requires a two-thirds vote in the affirmative of those Delegates that were in attendance at the meeting. In this case, the vote on the term limits amendment did not go as expected. The transcript of the meeting reflects very little debate on the question (only three speakers who represented both sides) before the question was called and a vote taken. Because the vote was close, President Dennis Sprung required a one-by-one count of the votes on both sides. There were 251 votes cast, so in order to pass with a two-thirds majority, the term limit amendment needed affirmative votes from 168 Delegates. Final vote count: 137 in favor, 114 opposed. Surprise, surprise, although the amendment received more yes votes than no votes, it failed to clear the two-thirds threshold. The end result was the same as what transpired the other four times that the Delegates considered this issue.

In the end, however, the June 2024 meeting turned out to be a meeting that I would regret missing for a completely different reason. Early in the meeting, President Sprung called on Board Vice Chairman Dominic Carota to recognize clubs that celebrated over 125 years of membership in AKC. Because AKC had never acknowledged 125-year member clubs in the past, they had some catching up to do. The first club recognized, one that has been an AKC member club for **140 years**, was the Westminster Kennel Club. The Vice Chair then recognized five parent clubs that had become members from 1886 to 1889. Then he said...

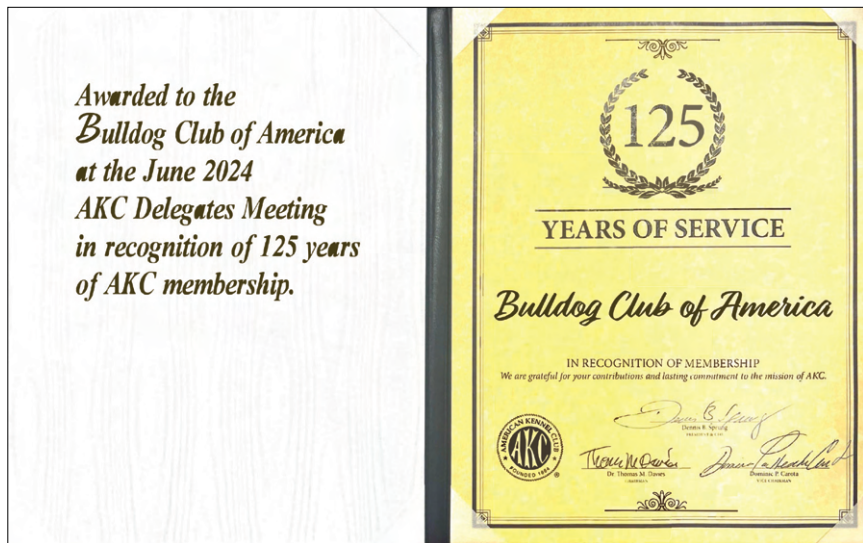

"1890 Bulldog Club of America"

High fives all around to recognize over 125 years of AKC membership. The Vice Chair then recognized another ten clubs that had become AKC members from 1893 to 1898. He called all the delegates from these clubs to the front of the room so that they could receive their certificates of recognition. With me being absent, past BCA President Jeff Ryman, who was at the meeting, had the good sense to go up and receive BCA's Certificate. Thank you Jeff. The funny thing is that after being an AKC member club for 134 years, AKC recognized BCA for its first 125 years of membership. When

the year 2040 rolls around, and it will, we should ask the AKC Delegate for BCA at that time, to remind AKC it's time to give BCA its 150-year member award.

The BCA Executive Committee voted to have the 125-year certificate added to BCA's National Gallery/Hall of Fame so that it could be displayed to Club members. I will deliver it accordingly in Gettysburg. In the meantime, there is a photo of it below. AKC also recognizes those member clubs that have been holding AKC events for 100 years or more. Search "Centennial Clubs" at akc.org. Interestingly, of the 121 Centennial Clubs recognized by AKC, five of them are Bulldog clubs. In addition to the Bulldog Club of America, they include the Bulldog Club of New Jersey, Bulldog Club of Philadelphia, Chicago Bulldog Club, and my own club, the Pacific Coast Bulldog Club. Congratulations and keep holding those events!

Respectfully submitted,
Link Newcomb

Have you see the last issue of the Bulldogger? Our editor, Jay Serion, has done a bang-up job. 70 Bulldogs earned a total of 128 Performance and Civic Activities titles! I remember when the whole list took up less than ½ a page. Admittedly, there are a lot more titles to be earned now but it's still impressive. Not bad for dogs so many people think are just couch potatoes!

Using Food As A Motivator

Years ago when I first started training my first Bulldog, Fang, I was told never use food. Dogs should work for you because you ask them. Fortunately times have changed! Many breeds, ours included, were never bred for trainability. They had a job to do and didn't depend on us for direction.

Many people equate trainability with intelligence. When our Bulldogs don't do what we want, it usually is not from lack of understanding. They simply don't want to, don't have time, or are busy with other things.

I find them one of the smartest breeds I work with. Food rewards have brought about a whole new training concept and nowadays so many more

breeds, considered hard-to-train are successfully competing in many performance venues and doing very well too!

Using food as a primary reward is sometimes more difficult than the traditional yank and pull methods. We have to find foods that motivate our dogs. We have to learn to randomize rewards or our dogs will look at us as if to say, "you don't have any food, I don't have to do this." We are habitual creatures so this can be difficult. We also have to find just how to deliver the food. For some dogs, food in our hand means they are totally focused on the food to the exclusion of anything else. Some dogs you can have food in your pocket, and that works. But with others the food must be over on the table or somewhere not on our person. This takes trial and error.

Students often ask, "When can I stop using food?" I respond by asking if they expect to receive smaller paychecks the longer they work at a job? The other trick is you MUST use praise and petting in conjunction with the food rewards. We cannot carry food into the ring but we can give praise and petting. Just as Pavlov taught dogs to salivate when hearing a bell, we can teach our dogs that petting and praise are important and worth working for.

How do you randomize food rewards? Ask your dog to sit - give a treat, down - give a treat, stand - give a treat. Now ask for sit, down - then treat. Sit - treat, down, stand, sit - treat.

Another plus for training nowadays are the many new dog sports available to us. Many do not require a great deal of training but are really fun for our dogs. Mix-up your formal training with fun stuff, even if you have no intention of competing. Bulldogs like to have FUN! You and your Bulldog can have lots of fun with training even if you never set foot in a formal competitive format.

Fast CAT is one of the newer sports. It is a simplified version of Lure Coursing. A 100 yard dash chasing a plastic bag on a pulley system. Dogs earn points for every second it takes to complete the course. This time is converted to miles-per-hour. Bulldogs and dogs of their height receive a 1.5 handicap. When you earn 150 points your dog earns the Basic Coursing Ability Test (BCAT) title. Above is a picture of my Polar Bear running Fast CAT. Obviously she is having a good time!

Fast CAT, Barn Hunt and other dog sports are often found at all-breed shows. Look into it, the dogs LOVE it!

DIVISION I

President: Kathy DelGrande

Board Of Governors: Jane Nigrelli,

and Jennifer Benedict
Councilors: Cody Sickle, Jean Kozatek

Division News Summary: Remaining very focused on raising funds for the upcoming 2024 national show in Gettysburg and 2025 upcoming Specialty Shows. Support for our fund raising efforts has continued to be inspiring. With members from all Divisions participating in our raffles, bingo games and wheel auctions. Want to thank everyone for their support. Please join Bulldogs of Gettysburg (if you haven't already) and help to make this a memorable National. It truly does take a village. Several members of Division 1 represented BCA at this year's Westminster Breed Showcase which was held on Saturday, May 11th at the USTA Billie Jean King National Tennis Center in Flushing, NY. Along with many other breeds, this opportunity allowed our members to educate the public about purposefully bred dogs to assist potential owners in making informed choices when adding a K9 friend to their family. Educational material was provided as well as copies of our Bulldogger.

Just a reminder the hotel is filling up quickly, get your reservations in while rooms are still available. Any questions/issues with rooms please contact Kathy DelGrande.

Lenape Bulldog Club: The club has been working diligently to ensure a successful 2025 Winter Classic. Several clubs might be joining us in 2025 and our goal is to offer five specialty shows as opposed to the usual four. The shows will be held at a new location, the Holiday Inn Morgantown, Morgantown, PA. The hotel is close to the Hollywood Casino, which offers free entertainment. Friday evening cover bands, fine dining and of course the casino. Show dates are Friday, January 24th thru Sunday, January 26th of 2025. The Winter Classic is the first specialty show cluster of the

new year in our area. Please join us and let's make 2025 a year to remember. Please contact Steve Aikman, President, with any questions.

Bulldog Club of New Jersey: "Bulldog Kissing Booth" for the 7th year in a row our members joined the Sparta Special Olympics Team on 4/27 at their bi-annual vendor and craft show. This show allows our members to educate the public on our breed as well as raise money for the athletes. This year our bullies kissed for 5hrs and raised close to \$400! It was exciting to see people come just to see our dogs. Some even showed us pictures they had taken over the years! This tells us doing public events does make an impact.

We are working on some exciting things for the end of 2024 and going into 2025. BCNJ will be joining other local clubs in forming a new Specialty Show Cluster to be held at the end of January in PA - mark your calendars for January 24-26, 2025. Details coming soon!

We are also working with AKC to obtain several club performance licenses. In an effort to expand our club membership, we realized we needed to think bigger than just conformation shows and with performance events gaining popularity on the East Coast, we decided this was the way to go. We currently have several members involved with Obedience and Fast CAT. These members have agreed to enter the AKC mentor program for both. We are hoping to sponsor a Fast CAT event later this year and start hosting Obedience trials in 2025. As our membership increases with performance bullies, our hope is to obtain agility, rally and nose work licenses as well over the next several years.

Lower Susquehanna Bulldog Club of Pennsylvania:

The Lower Susquehanna Bulldog Club and the Bulldog Club of New Jersey are working hard to have a great Pre-Show on Sunday, November 24th to kick off a great week for the Bulldog Club of America's 2024 National Show in Gettysburg, PA. The pre-show judges, Sonia Saxon and Sue Garside, are from the UK. The pre-show Juniors judge, is Judy Wade. It will be a fun filled, action packed week with lots to do, see and enjoy. You won't want to miss this event as it is shaping up to be a real showstopper, so come and join us and all your friends and bullies!

Bulldog Club of New England: No Response.

Our next Specialty will be at the Oaks facility in PA in December. We are excited for the upcoming National being held in Gettysburg.

On Friday evening, we are honoring our AKC Sportsman of the Year recipient, Shari Semelroth. Chicago's show will be a Back to the 80's theme! Get your game on with PacMan, battery up your Boom Boxes and glow sticks, listen to Queen, Michael Jackson, Madonna and George Michael. Wear your neon clothes, leg warmers, ripped denim (being held up by suspenders) and hair spray galore to make your hair big!

The Chicago Friday Specialty (show 2) will be judged by provisional judge, Deb Lesslie, preceded by Jennifer Guinn, doing Sweepstakes. Milwaukee's judge on Friday is Randy Miller. William Gray will review the Chicago Bulldog entry on Saturday afternoon along with PeeWees. On Saturday, morning Kay Gray, was selected by Milwaukee to choose the winning Bulldogs. Detroit Bulldog Club: Happy summer! We've been having a great summer with various activities, and of course another fun annual club picnic, at one of our club members farm. A good time was had by all while hanging out in the country with delicious food and great conversation. We are working on finalizing show details and securing Judge selections for our 2025 specialty show which will be held on March 1st and 2nd. We will have four shows in two days, so please mark your calendars. Please visit our website for updates: www.detroitbulldogclub.com.

Illiana Bulldog Club: The Illiana Bulldog Club had another successful specialty weekend in May, with 5 shows in 3 days, with great attendance and entries! Many, many thanks to our judges, Victor Lopez Marquez, Sara Black, Elizabeth Hugo-Milam, Peter Festa, and Diana Engeszer for giving up their time to come to Indiana to judge. Also, thanks to our club members for all the work and contributions to our hospitality and fundraising. And most of all, we truly appreciate all the wonderful exhibitors who supported our show with their entries and participation in our fundraising! You all rock! Now work begins on our 2025 show!

Illiana Bulldog Club is also fortunate to have welcomed more new members! Our club continues to grow, and we are very thankful for that!

The Bulldog Club of Indiana is planning for our specialty show March 8 and 9, 2025. We will be having sweepstakes on Saturday and two specialty shows both Saturday and Sunday.

Kentuckiana Bulldog Club: We had a successful Concurrent Specialty in March at the Kentuckiana Cluster, one of the largest all-breed shows in the country. Appreciation to Breeder-Judges, Cindy Stansell and Judy Wade, for judging our Specialties. We plan on a Concurrent Specialty including Sweepstakes during the next Kentuckiana Cluster March 13 -16, 2025. We continue to recruit members, so if you are in Kentucky or southern Indiana and want to become a Kentuckiana member, let us know!

DIVISION III

President: Lesley DeHaas
Vice President: Link Newcomb
Treasurer: Yvonne Cockrill
Secretary: Patti Hawkinson
Board of Governors: Debbi Golding, Cindy Liebeck, Eric Moody, Cristian Peirano, Richard Truong
Councilors: Link Newcomb, Yvonne Miller, Chuck Williams

Division III would like to thank all the exhibitors and volunteers for once again making our Spring Specialty, in conjunction with PCBC's Specialty, a great success. It was held for the 2nd year in a row at the beautiful RV park in Orange County.

We look forward to our upcoming events and shows throughout the Division. Our next Division show will be in conjunction with the Las Vegas Bulldog Club Specialty Shows "Waking up in Vegas" in October. The Division show will be held Saturday, October 12th.

Since Division III will be the host of the 2028 National, we are in the early stages of planning. The first order of business is to determine which club will be the host club, or if the Division will host. Second, will be to secure a location, and we have two very nice locations to consider. We hope everyone has a safe and enjoyable summer.

Pacific Coast Bulldog Club: PCBC hosted a successful Specialty - "Picnic in the Park" in April. The event was well attended and we congratulate all the winners as well as look forward to next year's event. The club will be on summer break and will reconvene in the fall for upcoming events, including an educational Bulldog event. Additionally, the club has been focused on growing its membership.

Bulldog Club Of San Diego County: Greetings from Bulldog Club of San Diego County.

We held our annual 3-Day Specialties, concurrent with Silver Bay Kennel Club All-Breed Shows, over the last weekend in February. We had a nice turn out and Huge Congratulations to all the winners! Thank you to all the exhibitors and volunteers who make this show possible every year. Looking forward to next year, Friday, February 21 - Sunday, February 23, 2025 at the Del Mar Fairgrounds.

We had a great Spring party, April 27th, at Eucalyptus Park in La Mesa. We'd been looking for a different nice, clean venue. (Someplace where we

didn't have to clean up needles and beer cans before the party.) We will definitely use it again. We had really good attendance, met some nice new friends and got a couple of new membership applications. We had some new people from SoCal Bulldog Rescue and new puppy parents referred to by Ted Parry. Thank you, Ted! So many cute bully bunnies!

We will have our Summer Bully Beach Party soon (date and time TBD - probably August).

Las Vegas Bulldog Club: The Las Vegas Bulldog Club celebrated the holidays hosting our annual "Winter Wonder-Bull" celebration on the patio at Big Dog's Draft house. Members and friends, along with their Bulldogs enjoyed the great food, SantaPaws Photo booth, and our fabulous "Wild West" gift exchange.

Our February gathering featured a fabulous meet and greet with legendary Walter and Milo, superstar skateboarding and snowboarding Bulldogs. It was a joy to meet their owners, Nadine and Marcus Singel and to learn about their adventures. Walter is starring the upcoming movie called "Powder Pup!"

We will be holding an AKC Sanctioned "B" Match and also celebrating "Bulldogs Are Beautiful" Day at our Spring Family picnic which will be held at Floyd Lamb State Park.

The Las Vegas Bulldog Club will be hosting our annual "Waking up in Vegas" AKC Specialty Shows (AM & PM), Sweepstakes and Junior Showmanship on Friday, October 11, with a BCA Division III concurrent Specialty on Saturday, October 12, 2024 at Veteran's Memorial Park in Boulder City, NV. Black Mountain Kennel Club All-Breed shows will take place October 12-13 (Jack Bradshaw Superintendent). Our show Chair is Shirley Evers, and our Show Secretary is Liz Coates. We look forward to waking up in Vegas with Bulldoggers and being able to have five shows! We are very excited to host Breeder-Judges, all the way from Spain to judge the dogs.

We will resume club activities and events in September, as the temperatures have been extreme here. Wishing everyone the best for a wonderful, and fun-filled summer. For current news and updates, please follow us on Facebook, or our website: www.Lasvegasbulldogclub.com.

Bulldog Club of Northern California: The Bulldog Club of Northern California and the Mother Lode Bulldog Club of Sacramento will conduct their specialties on November 2 and 3 at the Sycamore Lane Kennels in Lodi. Suzie Rose and Jessica Semeit are chairing the BCNC shows, and

their theme will be The Beatles' Yellow Submarine.

Mother Lode Bulldog Club of Sacramento: We recently held our last Woofstock Specialty, concurrent with the all-breed shows on June 5th, 2024. Erika Contreras was our judge; we all had a great time getting into the groovy vibe. Peace, Love, and the Bulldog!

We are currently working our Specialty show to be held November 2nd, 2024, with Bulldog Club of Northern California that will be holding their show on November 3rd, 2024. This event is held in the heart of Lodi Wine Country at Sycamore Lane Kennels. Division III will also be holding a generic show Friday, November 1st, 2024, in conjunction with our November specialties.

Phoenix Bulldog Club: The Phoenix Bulldog Club is focused on our preparations for the upcoming January 2025 Specialty and BCA Division III Shows, as we head into summer and work hard at staying cool. As in the past, it will be concurrent with the Kachina Kennel Club all-breed show. We always have a wonderful group of entries and a lot of fun in beautiful Surprise, AZ. Preceding that, we look forward to our annual Holiday B-Match in December. The club ends the day out with our holiday get-together -always a memorable party with friends, food, gifts, and laughs. We hope to have a variety of breeds showing, as we did last year. We look forward to the beautiful park location in Peoria which often brings interested on-lookers that enjoy the show right along with all of us.

Our club meetings are the 3rd Wednesday of every month, and we will be taking our annual summer break to resume meetings on September 18, 2024. We recently added the option to attend meetings via Zoom.

The club continues to grow and we welcome the new members of the Phoenix Bulldog Club! A great big thank you of appreciation for those who continually support and help in our activities. Upcoming events are to be posted on the Phoenix Bulldog Club Facebook page.

Oklahoma City Bulldog Club: OKCBC is excited to have had the opportunity to host several events this year. The futurity was held last February, we supported the entry at the OKC Summer Classic in June and our ice cream social/fun match was in July. Our annual Specialty Show,

The OKCBC Powwow, will be held September 27-30th. We are thrilled to offer five shows again in 2024, with The Bulldog Club of Greater Tulsa offering one of those shows on Friday, September 27th. We will have our event at the same location, Holiday Inn North in Oklahoma City. Don't miss out on the opportunity to win one of our coveted bronze bulldog trophies or one of our custom belt buckles! We will not only have a new t-shirt design, but we will be selling embroidered hats this year!

We would love for everyone to take a peek at our newly revamped website! It's not only full of upcoming information and photos of our last 2023 specialty winners, but it also showcases some of OKCBC's past and present top winning bulldogs in our club's history! oklahomacitybulldogclub.org.

A division meeting was held on April 9, 2024 via Zoom. We are planning for our next meeting to be in-person in August at the Bulldog Club of Greater Seattle specialty shows.

Division V "New Title" and Mother Superior awards for 2023 were distributed after the OSBC Specialty in June.

South West Oregon Bulldog Club: Spring has sprung and summer is heating up. We all headed to Klamath Falls on May 8 for the Klamath Dog Fanciers shows and our two concurrent specialties held on May 9 through 12. We've continued to have a Bulldog supported entry at these KDF shows and majors for bitches for all 6 shows was wonderful.

Congratulations go out to those who earned their Conformation champion-

ships. Also a few of our Bulldogs competed in Rally and earned legs. On Saturday, May 11, SWOBC sponsored the first of our two annual CERF Clinics with Dr. Sarah Maxwell and tested over 60 dogs.

A ZOOM meeting was held June 11 to close out the Klamath shows and to make sure everything was ready for our June 14 specialty at Indian Mary Campground in Merlin, OR, prior to the Rogue Valley Kennel Club shows on June 15 and 16. Bulldogs were a supported entry for all three shows. SWOBC ventured into something new, thanks to the hard work of Dave and Maree Williams, by becoming the official show food vendor for RVKC with the proceeds being split between SWOBC & Southern Oregon Bulldog Rescue. A busy, busy three days and a BIG Thank You goes out to everyone.

On July 17 we met to close out the June activities and check on the progress for our final 2024 shows. On November 1-3, we will be in Central Point with Southern Oregon Kennel Club and a Bulldog supported entry for all 3 shows. We will also be holding a BCA Div. V and a South West Oregon Bulldog Club concurrent specialty on Friday & Saturday. All paperwork is filed, approved and we're working with BaRay Events on the premium list. Saturday November 2 will be a very busy day as we will also be running our second CERF Clinic of 2024 with Dr. Sarah Maxwell.

Bulldog Club of Greater Seattle: The Bulldog Club of Greater Seattle has been busy with events during the first half of 2024. We were invited to Madison Middle School's annual auction fundraiser (their mascot is the Bulldog) and the Bulldogs were the hit of the party at the photo booth. This was our second year participating in this fun event. We had a great time at the annual Running with the Bulldogs on June 9 hosted by the local horse racing track, Emerald Downs, where we set up a booth, handed out educational pamphlets, answered Bulldog-related questions, sold merchandise and cheered on the Bulldogs! One of our club members, Kimberly Houghton, and her Bulldog, Sir Nigel, won it all and took home a magnificent trophy this year! We have more fun summer events still to come with our annual Summer Picnic, Fun Match & BBQ and Slobberfest.

BCGS hosted our Hawaiian themed specialty shows on August 1, 2 and 3 at a beautiful new location in Bothell, WA. We had an outstanding panel of judges and will be hosted a Health Clinic on Saturday, August 2, that offering OFA Cardiac and Patella testing as well as Microchipping and DNA swabbing.

In April, BCGS club member Faith Bult passed away. Faith loved her Bulldog, Buns, and her Great Dane, Rooster, deeply. BCGS offers our condolences to her family and friends.

Bulldog Club of Utah: May 1st has come and gone and so have our 17th & 18th Specialty Shows. The shows were dedicated to Lenard (Lenny) LeRoy Johnson who passed away last year. Not a member, he was a staunch supporter of Rescue and a long time Bulldog Lover. As always, we couldn't have done it without help from our members. Thanks to Nancy Lloyd for the beautiful raffle baskets, Becklyn Thee & Sara Evan-Phillips for morning hospitality and manning the sales and raffle table. Will Clayton's trophies and goodie bags were fabulous and thanks to Jimmy Bane for helping with set up and breakdown. Thanks also to our judges who did an outstanding (and not easy) job.

We will be going dark for a few of the summer months but looking forward to fall and some get togethers later on. Bullyween is always a favorite.

Wishing you all a safe and healthy summer.

Oregon State Bulldog Club: The Oregon State Bulldog Club is gaining momentum. We now have 11 members. Thank you to everyone that has joined our club.

By the time you read this, we will have had our June Specialty show in Canby, OR in conjunction with the Clackamas Kennel Club. They were Majors for both dogs and bitches! We had some wonderful raffle items donated by our members including two chances for a stay in Cannon Beach on the Oregon coast. And of course we had a fantastic potluck after the show. Our Bulldoggers are great cooks.

We will have a concurrent specialty in March 2025 in conjunction with the Silver Falls Kennel Club. We are looking forward to our future shows.

Alaska Bulldog Club: The Alaska show season is now in full swing. We started off with four shows by the Tanana Valley Kennel Club in Fairbanks. As usual our Bulldog entry was limited but the dogs did well. While there wasn't much love in Group, (what else is new) one did manage to earn a Group 4 placement in the last show. The Alaska Kennel Club shows will be in Anchorage and then those will be followed by 4 Kenai Kennel Club shows in Soldotna in early July. Finally, in late July there will be a Non-Sporting Dog Group specialty show in conjunction with three Cook Inlet Kennel Club all-breed shows in Palmer. As always, the local Bulldoggers will do their best to promote our wonderful breed and show others why we are so fond of it.

SHOW OPENS 1/1/25 – CLOSSES 7PM 2/5/2025

We will have our regular banquet, raffle, auction, and 50/50 on Saturday evening. For those of you used to seeing a concrete bulldog statue available that evening you will be happy to know that we have found a new supplier after our regular one retired.

The Bulldog Club of Greater St. Louis thanks all of our judges and exhibitors for their continued support. We look forward to seeing you here in February 2025!

Heart of America Bulldog Club: The Heart of America Bulldog Club had so much fun in 2024 that we decided to make 2025 bigger and better by including 5 shows, plus sweeps, at our specialty show in March! Be on the lookout soon for more details.

Club members have started some new fundraisers working at Kansas Speedway on event weekends. We all had an enjoyable time meeting with fans and helping the club out. We have two more events this year

coming up in September. So, if you are at KS Speedway for NASCAR or the American Royal BBQ, make sure to give HABC members a shout out! Our second fundraiser will be offering our services at the St Joseph Kennel Club all breed show as dedicated ring stewards – stop by and say hello!!

Mark your calendars to visit with us again at the Grain Valley Community Center, March 21-23, 2025. As always, we will have wonderful hospitality, and lots of fun items for raffle, silent auction and of course BULLDOGS!!

We are always open to meeting new people, so any BCA member that is a bulldogger in our area or knows of anyone who would like to attend a meeting and see what we have planned this year, please ask them to contact us via Facebook, or reach out to a current board member.

We wish everyone a safe fun filled summer!

Bulldog Club of Central Iowa: Plan to attend our specialty show at the Amana RV Park held Labor Day weekend - seven shows in four days plus sweepstakes. Richard Austin will judge sweepstakes. Friday will be a Top 20 show. Judges for the Specialty shows will be: Sara Black on Friday, Dean Dickey on Saturday, Eva Dickey on Sunday.

St. Paul-Minneapolis Bulldog Club: The St Paul/Minneapolis Bulldog Club held their annual Specialty Shows in July. We had 5 shows in total. Two on Friday 7/19, two on Saturday 7/20 and the Division Show on Sunday 7/21.

Our judges were:

Fri Sweeps: Kelley Ensminger, Fri AM: Anne Hier,
Friday PM: Sharon Dykes

Sat AM: Antonio Molina (Mex). Sat PM: Calvin Dykes

Sun Div VI: Jan Lewis

Location: Crowne Plaza hotel, 3131 Campus Dr., Plymouth, MN

The Greater Twin Cities French Bulldog Club had four shows and sweeps in the same location on the same dates. Capers was the show superintendent for both clubs: secretary@caper-dogs.com.

At our April club meeting, we had an Easter egg hunt for our Bullies. On May 18th, we had our annual club picnic and puppy match and “Best Bulldog features” fun match for older dogs. This was held at All Breed Obedience in Woodbury. On May 23rd, club members participated in the Amazing Animal Enrichment Week Festivities at Open World Learning Center to teach students about the Bulldog breed and answer questions about responsible dog ownership. We also had a “meet and greet” at a senior center with club members and their dogs in April and May.

Division VII continues to sponsor AKC agility trials at Level Up Dog Sports, in Mechanicville, VA! Our first specialty show of the year was held in Maryland in March and we have one more planned for October in Charlotte, NC. Even though our National show is three years away, we are beginning to look at sites and to make plans!

Piedmont NC Bulldog Club: Our show site will be available for another year so our shows will go on in October as planned. Be on the lookout for information.

The Capitol Bulldog Club is excited to announce that our club sponsored its first agility trials at the Level Up Sports Training Center in Mechanicsville, VA. They were International Sweepstakes Class (ISC) trials and attracted agility teams from across the country. We are excited about this partnership. We have another scheduled in the fall.

The Chesapeake Bulldog Club of Greater Baltimore: Plans are in the works for our fall specialty shows.

The Bulldog Club of Greenville, South Carolina: The specialty shows are being planned for October, 2024.

DIVISION VIII

Division VIII members are enjoying the sunny days of summer. Nothing like a hot southern day! Trying to keep ourselves and doggies cool. Our April cluster in Perry, GA was successful; thank you to judges Sara Black, Jeff

Ryman and Winn Ryman for judging and to exhibitors who supported our breed and shows. Our next specialty will be held in conjunction with the Music City Bulldog Club specialties to be held in mid-October in Lebanon, TN. Hope to see you all there.

Bulldog Club of Metropolitan Atlanta: Thanks to all that made the two shows in Perry, GA successful which include the judges and exhibitors.

Music City Bulldog Club: The Music City Bulldog Club is gearing up for an exciting weekend of specialty shows this October. Our dedicated members have been meticulously finalizing the details for our events, scheduled for Friday, October 11th and Saturday, October 12th. Adding to the excitement, the BCA Division VIII show will cap off the weekend on Sunday, ensuring a full schedule of Bulldog excellence. These events are part of the larger Tri Star Kennel Club activities, spanning from Wednesday, October 9th through Sunday, October 13th, providing numerous opportunities for competitors to earn points. We extend a warm invitation to Bulldog enthusiasts and competitors to join us for a weekend filled with spirited competition and camaraderie.

Smoky Mountains Bulldog Club got off to a slow start in the New Year but we are back with plans for a big summer event and our fall specialties. We are planning a special event in July: Christmas in July. The event will feature a beach themed with a Santa in sunglasses who will be available for pictures. There will be refreshments and door prizes. All Bullies and their families are welcome as well as members of the public. We are aiming to have community participation and hope to attract some new club members. In addition, we would like to provide some education about Bulldogs to interested members of the public and to families who may be considering including a Bullie in their family. September 26th thru the 29th will find our club members at our specialty as part of the Great Smoky Mountains cluster at Chilhowee Park in Knoxville - four all-breed shows and two Bulldog specialties. Officers for 2024 are Nikki Ewing - President, Tanya Price - Vice President, Suzan Jordan - Treasurer, Mari Decuir - Secretary. Board members are Jolene Dewald, Lisa Warren and we are welcoming a new Board member, Jim Lindsey.

Tampa Bay Bulldog Club is excited to participate with Royal Canin, for the second year, holding our specialty on Friday, December 13th. We would love to have everyone attend. We will be auctioning off a Danbury Mint Bulldog Christmas Tree.

We held our annual specialty in conjunction with the Sunshine State Cluster at the State Fairgrounds in Tampa. Thanks to the exhibitors and judges that made this show a success. Most of our meetings are via Zoom, so it was great to have our meeting in person at the Specialty show. We hope everyone has a safe and fun summer.
