

Mentoring Session Follow-Up Report

Complete after each session and submit to the seminar organizer

Record the education provided, observations of the student's understanding, and recommended next steps. Keep comments constructive, specific, and grounded in the Bulldog Standard.

Mentor name:

Student name:

Session date / duration:

Location / event or virtual platform:

Session format: Ringside mentoring / Virtual tutoring / In-ring tutoring

1. Topics and learning goals addressed

What was covered? Note materials, dogs observed, or activities used.

2. Student understanding and progress

What could the student identify or explain? Give specific examples.

3. Questions or areas needing further study

Note concepts requiring clarification or additional practice.

4. Recommended next steps

List study materials, practice, or further mentoring; note any agreed follow-up.

Documentation: Requested / Not requested Provided / Deferred / Not applicable

If deferred, note the reason or next step: _____
